*Promoting Education through Quality Transportation*

May 3, 2018

Dear Parents/Guardians:

As we close out the 2018-19 school year, we would like to take this opportunity to share information with you about transportation improvements the Chula Vista Elementary School District is making to streamline processes and increase efficiency at Valley Vista Elementary School.

In order to continue maximizing the efficiency of our operations, the Transportation Department is making changes to bus routes for the 2019-20 school year. These changes will help to improve overall bus service while enhancing the traffic flow in our school communities. Our ultimate goal is to create a more sustainable system that best meets our school system's long-term needs.

There will be twelve stops within the surrounding eligible communities for students to utilize. All students will be within three-quarters of a mile to their nearest bus stop.

- Bonita Woods Drive & Briarwood Road NW
- Robinwood Road & Cedarwood Drive NW
- Doral Way & Sweetwater Road SW
- Sweetwater Road & Orchard Hill Road NW
- Cagle Street & Bonita Heights Lane SE
- Plaza Bonita Center Way & Via Romaya
- Degen Drive & Romega Court
- Sweetwater Road & Maragret Street NE

In July you will receive an e-mail indicating your child's bus stop location, pickup and return times, and bus route letter for next school year. We are sharing the above information with you well in advance to make you aware of the upcoming changes for the new school year.
