

Bylaws of the Board

PROFESSIONAL GOVERNANCE STANDARDS

The Governing Board believes that its primary responsibility is to act in the best interest of every student in the District. The Board also has major commitments to parents/guardians, all members of the community, employees, the State of California, laws pertaining to public education, and established policies of the District. To maximize Board effectiveness and public confidence in District governance, Board members are expected to govern responsibly and hold themselves to the highest standards of ethical conduct.

(cf. 9000 - Role of the Board)

(cf. 9270 - Conflict of Interest)

The Individual Trustee

In California's public school education, a trustee is a person elected or appointed to serve on a school district or county board of education. Individual trustees bring unique skills, values, and beliefs to the board. In order to govern effectively, individual trustees must work with each other and the Superintendent to ensure that a quality education is provided to each student.

To be effective, an individual trustee:

- Keeps learning and achievement for all students as the primary focus.
- Values, supports, and advocates for public education.
(cf. 9010 - Public Statements)
- Recognizes and respects differences of perspective and style on the Board and among staff students, parents, and the community.
- Acts with dignity, and understands the implications of demeanor and behavior.
- Keeps confidential matters confidential.
(cf. 9011 - Disclosure of Confidential/Privileged Information)
- Participates in professional development and commits the time and energy necessary to be an informed and effective leader.
(cf. 9240 - Board Development)
- Understands the distinctions between Board and staff roles, and refrains from performing management functions that are the responsibility of the Superintendent and staff.
(cf. 2110 - Superintendent Responsibilities and Duties)

- Understands that authority rests with the Board as a whole and not with individuals.
(*cf. 9200 - Members*)
- Participates in professional development and commits the time and energy to be an informed and effective leader.

The Board

School districts and county offices of education are governed by boards, not by individual trustees. While understanding their separate roles, the Board and Superintendent work together as a “governance team.” This team assumes collective responsibility for building unity and creating a positive organizational culture in order to govern effectively.

To operate effectively, the Board must have a unity of purpose and:

- Keep the District focused on learning and achievement for all students
- Communicate a common vision.
(*cf. 0000 - Vision*)
(*cf. 0100 - Philosophy*)
(*cf. 0200 - Goals for the School District*)
- Operate openly, with trust and integrity.
- Govern in a dignified and professional manner, treating everyone with civility and respect.
- Govern within Board-adopted policies and procedures.
(*cf. 9311 - Board Policies*)
(*cf. 9321 - Board Bylaws*)
- Take collective responsibility for the Board’s performance.
- Periodically evaluate its own effectiveness.
(*cf. 9400 - Board Self-Evaluation*)
- Ensure opportunities for the diverse range of views in the community to inform Board deliberations.
(*cf. 1220 - Citizen Advisory Committees*)
(*cf. 9323 - Meeting Conduct*)
