

Chula Vista Elementary School District

LEAD Academy Program

The LEAD Academy Program is free to CVESD students in transitional kindergarten through sixth grade. Funded through the Expanded Learning Opportunities Program, LEAD Academy offers a wide variety of academic and fun enrichment activities, field trips, and meals (breakfast, lunch, and snacks).

The highest priority is given to students identified as “unduplicated” (foster youth, unsheltered, students living in motels/hotels, temporarily doubled up, students in temporary shelters, English language learners, and socioeconomically disadvantaged students). After the highest priority students are registered, additional students will be registered on a first come, first serve basis.

Where is the LEAD Academy Program located?

The LEAD Academy Program will be offered at six school sites. Hazel Goes Cook, Chula Vista Hills, Fahari L. Jeffers, Harborside, Lilian J. Rice, and Palomar Elementary.
