CVESD is Wild About Kinder

Do you have a child that is ready to start transitional kindergarten or kindergarten in the next school year? The Chula Vista Elementary School District (CVESD) offers online registration starting February 14, 2024, to help families prepare for the upcoming 2024-25 school year.

To register for transitional kindergarten (TK), your child must turn five years old between September 2, 2024, and June 2, 2025. To register for kindergarten, your child must turn five on or before September 1, 2024.

Visit cvesd.org and click the "Enroll my Child" link to register your child. You will need your child's birth certificate, updated immunization record, one current proof of residency, and photo identification ready to upload.

Would you like your child to attend a school other than your neighborhood school next year?

Zone transfer applications will be part of the new online enrollment process through your neighborhood school. Transfers are approved based on space availability. Due to continued growth in Chula Vista, no new transfers will be approved for eastern schools for 2024-25. If you would like your child to remain at your neighborhood school next year, no further action is required.
