Mission Statement:

"Bayfront Charter High School illuminates multiple pathways toward each student's college, career and life aspirations through our culture of high expectations, caring and support, and opportunities for meaningful participation."

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Total Teacher Misassignments*			0
Vacant Teacher Positions			0

* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

We have 1 to 1 use of Apple laptops for students and do not use textbooks.

Textbooks and Instructional Materials

Year and month in which data were collected: August 2019

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Mathematics	College Preparatory Mathematics (CPM) The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements (Most Recent Year)

As of the 2016 - 2017 academic school year our school site has added exit doors to each classroom for emergencies, a fire alarm, a black box theatre for student performances, and a new seating area for students to have a space they can work with their laptops from and learn from one another. Our school site is also adding another set of restrooms with locker space so students who have PE can stop their belongings during class.

School Facility Good Repair Status (Most Recent Year)

Year and month in which data were collected:

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good

Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	62	59	65	64	50	50
Math	49	42	51	51	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	25.4	22.9	12.7
7	21.6	40.2	15.7
9	17.5	23.4	25.3

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents are actively involved in our Community Counsel which meets regularly to discuss opportunities for student success and to keep everyone updated on school related logistics including, budget updates, construction on building, partnerships with outside organizations, new programs, events, and more.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The School Site Council (Leadership Council) approved the School Safety Plan in October 2019.

Types of Services Funded

Mueller/Bayfront Charter School provides a wide variety of support and services for students including, but by no means limited to the following:

- An extended school year of 196 days (16 additional instructional days for students);
- Full-time support positions including Coordinator of Instruction, Dean of Achievement, nurse, psychologist, student advocate, and counselors;
- A technology infrastructure that supports 1 to 1 devices for all students. Each classroom offers a classroom set of laptops or devices including desktop computers and IPADS, a laser printer, document camera and LCD projector with support for instructional videos, DVD's and Internet-related content. We also have over 700 laptop computers on carts to help facilitate research and writing projects, as well as a substantial investment in software providing both assessment and instruction tied to state grade level standards;
- Home visits by all classroom teachers at the beginning of the school year, and parent conferences during the year to create and maintain home-school partnerships and support;
- Funding for annual enhancements to classroom reading libraries and materials, field trips for students, and collaboration time offering art and music instruction;
- Substantial investment in professional development opportunities and programs for all staff.

Career Technical Education Programs

Currently Bayfront Charter High School offers 2 CTE aligned courses: 1) Forensic Science and 2) English 12: Memories of War. Both courses fall under the CTE Sector of Public Services and CTE Pathway of Legal Practices. Bayfront is working towards creating a CTE Pathway for its students.

ENGLISH 12: Memories of War

This course will focus on the stories of survivors of war, and students will learn about non-profit organizations in their community who assist immigrants and refugees. Students will read world literature including plays, biographical fiction, and memoirs related to war and conflict. They will work with essay writing, script writing, and poetry, as well as professional correspondence with local non-profit organizations. Students will learn the history of displaced groups in their community, how non-profits serve the needs of those groups, how non-profits function as a business, and what volunteer opportunities are available to students.

FORENSIC SCIENCE:

In this course students study biology and earth science by engaging in investigations of how scientific evidence is used to solve crimes. Students take on the roles of public safety professionals to identify, collect, preserve, test, and analyze physical evidence. Each unit of this course asks how physical evidence can be used to solve a type of crime, and students explain and explore the scientific principles at work. Students learn not only how and why evidence can be used to solve crime, but also how biogeological processes affect the preservation and viability of physical evidence. Professional report writing is emphasized in this course, reflecting the high frequency and importance of writing reports in public safety careers. Throughout this course, students will collect and analyze evidence from simulated crime scenes. The course culminates with students using physical evidence to solve a simulated homicide and delivering expert testimony in a simulated murder trial.

These classes are both approved through the University of California and are recognized as UC a-g approved courses that align with CTE standards. Bayfront's Forensic Science course was adopted from the University of California Curriculum Integration (UCCI). UCCI focuses on assisting high schools with the development and implementation of integrated courses that unite academic study with Career Technical Education. Bayfront's Forensic Science course helps fulfill the "D" Lab Science requirement for graduation. Students elect to take this course. Bayfront's English 12: Memories of War is also embedded into one of Bayfront's graduation requirement; more specifically this course meets the "B" English requirement for graduation. All seniors take this course prior to graduation.

In addition to offering 9th and 11th grade college visits for its students, Bayfront has a partnership with Junior Achievement. Through this partnership and the work of our school counselors, all students take career assessments, receive 5 classroom lessons on topics including career exploration and interest, financial literacy. Student also receive information relevant to San Diego County's job market. In addition to these services, SPED students have Individualized Transitional Plans which focus on post-secondary transitions. Our SPED students also visit local businesses to learn about job opportunities available within the community.

Bayfront uses course completion/passing rates and teacher and department feedback to evaluate the effectiveness of its courses. Bayfront also has an Instructional Leadership Team (ILT) which observes teaching and learning in all of Bayfront's classes, including the 2 mentioned above.

Dr. Ryan Santos is the primary representative for CTE at Bayfront Charter High School. As mentioned earlier, Bayfront offers 2 CTE aligned courses but is in the process of developing CTE Pathways for its students.
