School Description

Joseph C. Casillas Elementary School will prepare all students to be literate, responsible citizens with an enthusiasm for life-long learning. Through the implementation of a rigorous, standards-based academic program, Casillas students will be prepared to confidently meet the challenges of middle and high school. Essential elements of our school's mission:

- A commitment to the District's vision and values
- Professional development and systematic support are on-going for all staff members.
- High expectations for all learners
- A safe and orderly learning environment.
- A rigorous curriculum is driven by California Content Standards.
- Instructional strategies reflect research-based best practices.
- Multiple sources of data are used to assess each student's progress.
- Technology is used as a tool to support teaching and learning.
- Diversity and cultural sensitivity are celebrated and modeled.
- Strong parent involvement is valued and encouraged.

Casillas School believes that student-based decision-making processes encourage collaboration and meaningful involvement among all stakeholders (parents, staff, students, and community partners). Goodwill and pride in the Casillas School community are rooted in each child's academic, social, and emotional development.

Guided by student achievement data, we will ensure that our academic programs are strong to close achievement gaps between students identified as English only and those in our target groups (English Learners, Socio-economically Disadvantaged, & Special Education students).

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The Chula Vista Elementary School District follows the State's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and other instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Content Standards. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

School Facility Conditions and Planned Improvements (Most Recent Year)

Classroom space at Joseph Casillas Elementary School is adequate to support our school's current enrollment. The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. Casillas custodial staff performs basic cleaning operations daily.

Classrooms are earthquake ready:

- Posted emergency procedures
- Disaster backpacks are under teacher desks
- Emergency preparedness containers with supplies for 72 hours are provided for each classroom
- Copy of classroom emergency cards
- Closed cabinets to secure materials

Heating, ventilation and air conditioning equipment is installed to make classroom environments more conducive to learning.

Updated lock systems have been installed in all classrooms to provide a more secure environment.

A panic button and emergency alert system has been installed in the school office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	65	63	51	51	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Contact: Principal Chris Vickers

Phone: (619) 421-7555

Parents and the community engagement in supporting our academic goals include (but aren't limited to):

- School Site Council (SSC)
- English Learner Advisory Committee (ELAC)
- Parent Teacher Association (PTA)
- Family Literacy Nights
- School Messenger System
- Back to School Night
- Classroom Newsletters
- Peachjar Electronic Flyers

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The School Safety Plan was presented and approved by the School Site Council on September 19, 2019.

Regular site emergency drills are conducted on a monthly and/ or quarterly basis (e.g., fire, earthquake, lock-downs, and shelter in place). Additionally, the Raptor visitor management system is in operation at our school, which screens visitors against the Megan's Law database and other states' databases as well. Casillas also participates in six Districtwide Emergency Radio Drills each year.

Student safety and well-being is promoted via multiple activities throughout the school year. In addition, Casillas offers other activities designed to foster teamwork, athletic skills, positive attitudes and self-esteem. Provisions and supplies for emergency evacuations have been obtained and a comprehensive evaluation plan is in place. Playground supervision, drug and alcohol abuse prevention programs, child abuse awareness, and School Safety Patrol also promote student safety. Supportive and alert staff consistently monitors classroom environments to maintain student safety. Parents pick students up at designated areas. Traffic control is provided by the school Safety Patrol, who utilizes the School Resource Officer as a valuable resource.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	5

Each year, a variety of professional improvement activities are provided for teachers, instructional support staff, custodians, secretaries, and other employees. Activities reflect the school's goals/ objectives and are part of Casillas' School Plan for Student Achievement.

Casillas' grade level teams have approximately 5 hours of collaboration time (during the school day) each month. Collaboration is also provided in 1 hour increments on multiple Friday afternoons (after school) each quarter. During collaboration sessions, grade level teams look at student work, analyze data, and plan their next instructional steps based on their findings. A part-time site Resource Teacher is available to all grade level teams during collaboration sessions.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

At Casillas, categorical funds are used to support students to meet California Content Standards (CCS) through a variety of measures. For the 2018-19 school year, monies were used to fund certain part-time classified positions (e.g., ELL Instructional Aide, Computer Tech, IA Behavioral Specialist). In addition, a Library Media Technician was also funded to support the students with selecting appropriate reading material and to maximize the services of the Library Media Center. Additional psychologist time was also funded by the District to support the needs of our special education students, as well as general education students who needed extra support. Finally, supplemental professional development & materials (e.g., Smarty Ants) were purchased to support the school focus of ELA instruction.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
