School Description

Chula Vista Learning Community Charter High School opened in July of 2012. The school serves a student population from ninth to twelfth grades.

Vision:

The Chula Vista Learning Community Charter School believes in the full potential of each individual to act with integrity and to create their own knowledge.

Mission

Students are respected as intellectuals as they develop their individual authentic self. Our robust academic program is focused on expanding language, developing core ethics, and building knowledge across content areas.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	58	57	65	64	50	50
Math	30	28	51	51	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

• Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	14.9	34.5	30.4
7	18.8	31.9	27.5
9	33.3	34.4	5.2

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA)

Students with Disabilities	41	41	100.00	12.20

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

· Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Contact person Mrs. Lillian Toulet

Contact Person Phone Number (619) 934-4488

Parents play a very important role at the Chula Vista Learning Community Charter School. We believe: "When parents, students, teachers and community partners work together, they make a difference in a child's educational career."

We take pride in learning through the expertise parents bring to our school. We value their commitment to our students, as well as our school vision.

Research shows a high correlation between parent involvement and effective schools. We encourage parents to become actively involved in our school. We have Parent Information Nights to keep parents informed about assessment, curriculum and instruction and we provide parents with ways in which they can become partners with us in the education of their children.

We encourage parents to read to their children at home, provide cultural activities, and attend school functions with their children. Please call 934-4488 if you wish to become involved in school activities, as well as be directed to the appropriate school. English and Spanish translation is available.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Each year, targeted professional improvement activities are provided for teachers, instructional aides, and other employees. Activities reflect the school's goals and objectives and are part of our Local Educational Agency (LEA) Plan. Staff development topics include:

Understanding by Design Model (meta-cognition); Direct instruction on the delivery of content and language objectives; Observation Protocols; Integration of writing to improve school wide focus on literacy; All new teachers receive the two-day GLAD (Guided Language Acquisition Development) training; Since 2011, the Inquiry Model has been implemented to address the Common Core. In 2015-16, teachers will continue processing the inquiry model as well ass additional instructional strategies to improve student learning. The Professional development will continue to focus on Professional Learning Communities (PLC). Teachers receive feedback through instructional walkthroughs given by administration and consultants. Gifted and Talented Education Certification is offered to all new teachers to CVLCC at the beginning of each academic school year. The Understanding by Design templates are utilized for teachers to integrate common core standards and focus on learning objectives with the end in mind.

Teachers continue to work on improving instructional units based on student data. Instructional units focus on grade level common core standards to further support targeted achievement goals. Through planned professional development days, teachers collaborate with others in sharing teaching strategies that promote positive student outcomes. The implementation of instructional rounds allows for the teaching community to develop a collaborative learning environment and improve student learning.

Types of Services Funded

CVLCC's After School Programs: Programs at CVLCC target levels of inquiry, skills and metacognition. Goal for the programs is to foster the ARTS, INNOVATION and skills of the 21st century.

CVLCC's Reading Intervention: Instructional support provided during English Language Arts, Spanish Language Arts, and Mathematics for all Emergent Bilinguals

CVLCC Internships: Students in 11th grade participate in our internship program to provide a connection between our MicroSociety Program and the Real World. Students learn on the job skills, as well as the necessary knowledge to participate in the transformation of current society.
