### School Description

Juarez-Lincoln, a K-6 elementary school, located four miles from the international border with Mexico, within the Otay Mesa community of the City of San Diego. The school was built in 1971 and is among 49 schools in the Chula Vista Elementary School District, including charters. Juarez-Lincoln received a total modernization during the summer of 2000, expanding the site with 16 additional classrooms. The grounds and infrastructure have been transformed and continue to exemplify a 21st Century learning environment and serves as a significant resource for the community. Each classroom, the auditorium, library, and Professional Development Center are equipped with projection systems and Document Cameras or televisions. Each classroom also has computers for student access 3:1 ratio and a laptop for teacher use. 3rd through 6th grade classrooms have 1:1 laptops. The Technology Learning Center (TLC) supports 32 computers for large group instruction and intervention.

### Mission

The Mission of Juarez-Lincoln Elementary School is to enable all students to become critical thinkers and effective communicators in the areas of reading, writing and mathematics and to take their place as leaders and full participants in our global society.

Student achievement is monitored school-wide using the following assessments:

- Imagine Learning English weekly reports.
- Achieve 3000 Lexile reading levels monitored.
- School-wide writing prompts assessed quarterly.
- Math and Language Arts benchmark assessments.
- Quarterly monitoring of all students' progress.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The Chula Vista Elementary School District follows the State's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Classroom space at Juarez-Lincoln Elementary School is adequate to support our school's current enrollment.

The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. The Juarez-Lincoln custodial staff performs basic cleaning operations daily. The school's safety plan provides security for all students. Visitors must sign in using the District's Raptor Security program and wear an identifying tag at all times. There are sufficient classrooms and support facilities to accommodate all learning activities.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	54	54	65	64	50	50
Math	35	38	51	51	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2019-20)

Contact person: Principal Robert Pollack

Contact Phone Number: (619) 690-9222

Parents are invited and encouraged to participate as full partners in the education of our students. We offer continuous parent workshops throughout the year to engage our parents in the education of their children. Parents participate in two formal report card conferences each year. Parents also attend Student Study Team and IEP meetings to develop a plan of success for students. Parents also serve on the School Site Council (SSC), PTA, the English Language Acquisition Committee (ELAC), and volunteer to work in classrooms, the library and help prepare materials for student activities. Parents attend monthly "Coffee with the Principal" and share concerns and offer suggestions to improve school processes. Parents also participate in developing and updating the School Plan for Student Achievement, the Safe Schools Plan and this School Accountability Report Card.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Student safety and well-being is promoted by activities including emergency and earthquake preparedness drills, bus evacuation drills, playground supervision, drug and alcohol abuse prevention education programs, child abuse awareness, a Peace Patrol, and a School Safety Patrol. The school safety committee reviews safety policies, practices and procedures yearly. The physical arrangement of the classrooms and facilities allow for uninterrupted learning time while facilitating the safe movement of students throughout the learning environment. Students participate with staff and parents in reviewing the procedures and make recommendations for modifications throughout the year. Students are trained in conflict resolution and supported in solving problems before they escalate. This process has significantly reduced the number of referrals to the office. The safety of our children is a high priority at Juarez-Lincoln, and we are committed to presenting positive role models for students so they will aspire to the highest ideals possible. The School Site Council approved the School Safety Plan on September 2019. Elements of the School Safety Plan: Each teacher is responsible for a specific task related to safety of all students. All visitors are required to check into the front office and receive a pass to be on campus. A safety committee monitors and updates the plan. The San Diego Police Department is involved in monitoring the safety of the school and reviewing the plan.

### Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Each year, targeted professional learning activities are provided for teachers, instructional assistants, and support personnel based on student achievement data and staff self assessment. Professional learning activities are planned to address the school-wide focus and the identified areas of improvement.

Professional learning activities for the 2018-19 school year include:

- The ILT received training on how to implement school-wide Professional Learning Cycles to develop high-impact language strategies .
- Teachers received training on teacher-student clarity and developed school-wide practices for success criteria.
- Teachers meet in grade level and cross grade level groups to collaborate on instructional planning and the use of assessments to inform instruction.
- Teachers receive- Teachers received training on how to use Lexile Levels using Achieve3000 to monitor student progress in reading.
- Teachers received training on Positive Behavior and Supports and conflict resolution through restorative practices.d training on restorative practices.
- Teachers participated in analysis of data including Lexile Levels, ELPAC, Local Measures, and CAASPP interim assessments to plan instruction.
- Instructional Leadership Team attended mathematics conference to develop professional capacity to effectively teach mathematics using the Cognitively Guided Instruction framework.

Professional learning activities for the 2018-19 school year include:

**Types of Services Funded**

The school receives LCAP funding to support and improve student achievement, professional development, and school operations. As a school-wide program, all interventions and support programs are designed to address the identified student needs based on quantitative and qualitative data. During the 2018-19 school year, Juarez-Lincoln teachers received additional professional development to support teachers' understanding and implementation of Common Core State Standards in English Language Arts. Extended Day, an after school tutoring program, is designed to target English language arts and mathematics skills for students at risk and is provided by highly qualified teachers. All 3-6 grade students participate in the Achieve 3000 online program. Achieve 3000 provides students with standards-based practice in reading comprehension using leveled, non-fiction articles. All English Learners with a ELPAC score of 1 or 2 are provided with daily 20 minute sessions of Imagine Learning English, an individualized online computer program designed to accelerate English language development. Parent education mirrors the student program and includes opportunities for parents to learn to use the strategies employed during school day to support extended learning.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
