### Description

Parkview Elementary School is in the Chula Vista Elementary School District. Built in 1969, the school underwent modernization during the summer of 2002.

Chula Vista Elementary School District is located in the southernmost county of California, approximately five miles from the US/Mexico border. It is the largest kindergarten through grade six district in the state. It serves a rapidly growing community that features a blend of residential areas, recreational facilities, open space and light industry.

### Vision and Values

At Parkview School, students, parents, staff, and community members are committed to a shared vision of putting students first.

Learning is a life-long process that is meaningful and relevant to global perspectives. We value diversity and promote equity for all. We take great pride in our school and provide a learning environment based on high expectations and clear standards.

At Parkview School, students, staff, parents, and community are respected, valued, and encouraged to give input into the decision-making process. Working together as a team, demonstrating professionalism and personal integrity, we are committed and take responsibility in bringing our vision to life so that all students at Parkview Elementary School will reach their personal and academic goals.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The Chula Vista Elementary School District follows the State's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards.. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Classroom space at Parkview Elementary School is adequate to support our school's current enrollment. The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. Parkview's custodial staff performs basic cleaning operations daily. Parkview has 17 classrooms, 1 staff development room, 1 Speech and Language room, 1 Resource Specialist Room, 1 library, 2 computer labs, and a multipurpose room. The school enrollment was 398 students.

There is a security system in place through out the building including the portables. The custodian assures that school buildings and classrooms are maintained and attractive. Ongoing inspections of school facilities alert the custodian to potential hazards, vandalism, graffiti or damage that are repaired or removed immediately. The Safe School Plan outlines the process for pupil ingress/egress to assure that all pupils are safe before and after school.

Our safety patrol, noon duty supervision, and support staff assure each pupils safety during the school day.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	78	83	65	64	50	50
Math	68	74	51	51	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	14.9	25.5	31.9

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2019-20)

Contact Information: (619) 421-5483

#### Parent Participation

Research shows a high correlation between parent involvement and effective schools. We encourage parents to become actively involved in our school by inviting parents to volunteer in classrooms, participate in ELAC, GATE, and other after-school programs. We have Parent Information Nights to keep parents informed about assessment, curriculum and instruction and we provide parents with ways in which they can become partners with us in the education of their children. Parkview School's Parent-Teacher Association (PTA) has approximately 100 members. The PTA sponsors enrichment programs and provides materials for the benefit and welfare of our children and the community.

Five parents took an active part in school planning by serving as members of the School Site Council. This included overseeing the budget, Safe School Plan and the School Site Plan. In addition, parents at Parkview are provided the opportunity to participate in Literacy Training sessions in order to support their children at home with reading and writing.

Additionally, we have monthly Principal coffee chats where the principal seeks input from parents regarding concerns on campus.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

The goal of Parkview Elementary is to meet the academic, social and emotional needs of our students through a collaborative partnership with students, parents, staff and community. Students and staff must be equipped with the necessary training, tools and services in order to assure a safe, secure learning environment. Teachers are provided with and trained on updated procedures and/or policies that affect school safety. Uniform school rules and consistent discipline policies are established and posted throughout the school. Fire and disaster drills are conducted and staff is continually trained and updated regarding their responsibilities in case of an emergency. Adequate playground supervision is provided by classified supervisors and certificated staff. Parkview Safety Patrol members and the School Resource Officer are posted at the front of the school to assist children crossing the street and vehicles entering the upper parking lot. Clear plans and supervision are established for students who ride the bus, walk or are dropped off by parents. Fencing was added to ensure a closed campus during the school day. In the event of an emergency, Parkview has a comprehensive response plan in the Safe School Plan, which was updated and approved by School Site Council on September 11, 2019.

The Parkview staff believes in high expectations for all students, both academically and socially. Most teachers have received CLAD (Cognitive Language Acquisition Development) certification, G.L.A.D training, and have been trained in English Language Development Instruction and use this training to ensure Limited English Proficient students benefit equally from classroom instruction. This year, teachers will continue to expand their use of strategies to differentiate instruction based on data analysis. We will also continue to deconstruct standards and provide rigorous instruction. Instructional practices are monitored throughout the year. It is our belief that, when students feel successful about their education, they tend to make better choices about treating others in a respectful manner. All staff is in-serviced annually on Blood Borne Pathogens and sexual harassment and they receive written information regarding the definition of sexual harassment and procedures to be followed to register a complaint. Additionally, all staff will receive professional development and training on their roles and responsibilities in the event of an emergency or disaster. Additionally, all visitors/volunteers to the school campus sign in at the office using the new Raptor System to ensure student safety and accountability for adults on campus in case of an emergency.

**Types of Services Funded**

Students in need of additional support and instruction were provided with a variety of services and materials through categorical funds. These funds were used to provide support for all students as well as any target groups. Programs offered included:

- Illuminate Data Management System
- Part Time Program Support Teachers for teacher collaboration. Visual art classes are provided to students every other week.
- Technical Computer Support
- Standards based supplemental materials
- Additional instructional assistant for primary grades
- Before/after school programs
- NGSS materials
- GATE program
- Accelerated Reader
- Achieve 3000
- Imagine Learning
- Next Gen Math

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
