## School Description

Vision: Students of Greg Rogers Elementary School will be prepared, productive, literate, critical thinkers who contribute to a global society in the 21st Century.
Focus: Rogers Instructional Focus is teacher clarity. When teachers are clear about what students are learning and how they can be successful in learning it student learning can reach its full potential. Rogers is focused on increasing achievement for its English Language Learners through daily designated English Language Development instruction.

Greg Rogers School is a unique campus that serves both general education students and students with disabilities. There are approximately 400 preschool through 6 th-grade students currently enrolled at this site. The special education population consists of approximately 150 students ranging from students with learning disabilities to students with severe disabilities. Services are also provided for a state-funded preschool program. Housed at Greg Rogers is California Children Services for occupational and physical therapy, Parent Intervention Program(PIP), Support Team For Autism Spectrum And At-Risk Students(STAARS), and the Occupational Therapy program. All students at Rogers Elementary are held to the highest academic standards and all teachers have high expectations for student achievement. At Rogers, we believe Once a Pirate Always a Pirate and we practice Pirate P.R.I.D.E in many ways. Pride stands for Practicing Procedures, being Respectful, being Inclusive, being Dependable and Aiming for Excellence.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)
The Chula Vista Elementary School District follows the State's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards.. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District and school have also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards, electronic communication, and research.

School Facility Conditions and Planned Improvements (Most Recent Year)
Greg Rogers (East) was built in 1962 and Greg Rogers (West) in 1963. We were remodeled in the summer of 2004 with a completion date of September 2004. There are 35 classes serving our students' educational needs. The school has an administrative wing of offices, a multipurpose room, kitchen, adaptive physical education room, a sensory room, and a therapeutic swimming pool.

Classroom space at our school is adequate to support our school's current enrollment. The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. Custodial staff performs basic cleaning operations daily. None of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at our school.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
Contact Person: Principal Janette Ridgels
Phone Number: 619-656-2082
Research shows a high correlation between parent involvement and effective schools. Greg Rogers School has an active Parent-Teacher Association (PTA), which sponsors many projects for the benefit and welfare of the children.

The School Site Council plays an integral part in the programs and activities of the school by providing direction to staff on most site decisions and on the School Site Plan. All students are encouraged to contribute to their community and their school, thus our Student Council participates in fundraising activities such as Jumprope For Heart, food drives and toy collections.

During the school year, a series of workshops are offered to parents through training opportunities and through English Language Advisory Committee meetings that included sessions on Social Emotional Learning, Positive Behaviors and Supports, and state and local measures testing information. To address the Wellness Policy the school holds Special Olympics on a yearly basis. Parents, students, and community volunteers participate in activities geared towards a healthy, active lifestyle for all.

Spanish translation is available.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## School Safety Plan

Student safety and well-being is promoted by activities including emergency and earthquake preparedness drills, bus evacuation drills, playground supervision, bullying prevention week, restorative practices, Peace Patrol, School Safety Patrol, and Positive Behavior Interventions and Supports. We practice procedures for each location on campus to ensure a safe campus for all. We have also tightened up our dismissal procedure this year to ensure that all gates are locked 10 minutes after the bell rings to better secure the campus at the end of the day. Our school safety committee regularly updates and refines our safety procedures. The Safety Plan was approved in October 2019 by our Site Council.

Staff members at Greg Rogers understand the importance of quality instruction. Grade level collaboration meetings and professional development assist teachers in coordinating instructional strategies to maximize effectiveness. Professional Development is also obtained through Professional Learning Cycles where teachers go through a cycle of training, safe practice, peer observation, and revision. At Rogers, we are implementing, Wilda Storm writing strategies across all grade levels. This is a solid research-based program providing many common core instructional strategies. Wilda in conjunction with district-adopted curriculum provides balanced literacy and increases overall school performance for all students. Based on the analysis of our data, our Instructional Leadership Team determined that our focus for professional development would be on Visible Learning including teacher clarty in Math, and Collaborative Conversations. We are also continuing our learning this year around Social Emotional Learning. Professional development is provided in many ways including during teacher collaboration, staff development days/times, and sometimes off-site. Implementation of professional development is supported by in-class coaching, peer observations within the professional learning cycle, and walkthroughs.

## Types of Services Funded

This year we have utilized LCAP and Title 1 funds to support quality first instruction through the implementation of WILDA Strom, Write Up a Storm support, Designated English Language Development, High Impact Language Strategies including Collaborative Conversations, Guided Language Aquisition Design (GLAD) strategies, and Math Discourse routines. After school tutoring has been provided in the area of mathematics, language arts, and English language development. We also participate in the inter-district soccer, football, and basketball league to provide our students with additional activities after hours. In addition, we have provided our Gifted and Talented students with after-school Science, Technology, Engineering, Art and Math (STEAM) enrichment and Spanish.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
