Curriculum Packet

Grade 1

Packet 1

May 4 – May 15

Curriculum Packet Instructions and Overview

Dear CVESD Families,

The Chula Vista Elementary School District (CVESD) is committed to ongoing learning and continued success for each and every student. During this time of school closures, we are engaged in distance learning. Distance learning means that the teacher and student are not in the same space for instruction. Distance learning may include technology such as computer, iPads, phones, etc. or it can include paper/pencil work. This curriculum packet may be used with/without technology. Each packet is intended to last two weeks (10 school days).

- **Establish a daily routine** for your child with a schedule. Plan for times in the day when the child will work on the packet, when they will have a break, when they will use technology, when they will have snacks and lunch.
- **Create a plan for work completion.** Divide up the work for the packet day by day for 10 days.
- **Engage with your teacher** via phone, email, or another method for support. Your teacher wants to help! Contact your teacher if you have any questions.
- **Additional Support** - Learning can be challenging, especially when one is trying to learn a new language or help with accessing the student curriculum packet due to language needs, special education needs, or access needs (i.e. a 504 plan), please connect with your general education teacher or special education teacher.

Curriculum Packets Instructions- Packet 1

Math

- **Complete one worksheet** per day. There are extra worksheets that can be used for additional practice. Grade 6 will complete one worksheet every two days (5 tasks for the two weeks).
- **Select one of the following activities** to do in addition to the one worksheet per day.
 - **Be the Teacher!** Select one problem from the worksheet each day. Teach someone in your house (brother, sister, mom, dad) how to solve the problem. Ask them how you did as a teacher. What did you do well? What might you do better next time?
 - **Multiple Representations:** Select one problem from the worksheet and show it in multiple ways. Write a word problem. Draw how you solved it. Write a number sentence (equation). Write a word sentence (your answer in a complete sentence).
 - **Prove It!** Select one problem from the worksheet and explain how you know your answer is correct. How can you prove it? Convince someone in your house that your answer is correct.
 - **Compare and Connect:** Select one problem from the worksheet. Solve it a different way. Explain how the two ways you solved it are the same and/or different.
 - **Reflect-** What was easy about today's math lesson? What was hard? What did you learn? How might you use what you learned today in the future or in real life?
- **Play the Family Game** multiple times throughout the two weeks. Think about what you are learning, what strategies you are using, what strategies you modified, is it a fair game?

English Language Arts

- **Complete Benchmark tasks**
- **Select one of the following activities** to do in addition to the Benchmark task each day.
 - Read a book.
 - Write a story about your adventures at home.
 - Create a comic book.
 - Find parts of speech or high frequency words in junk mail.
 - Write a Choose Your Own Adventure story.
 - Document how you are spending your time.
 - If able to watch television, turn on captions and watch for errors. (Turn on subtitles and learn another language.) Turn the sound off and read the captions to follow along.
 - Write quizzes to go with your favorite movie or show.
 - Practice public speaking. Give presentations to family members on favorite topics.

Science

Physical Science

1. Select a toy in your house that has moving parts.
2. In your journal, record why you chose this toy. Why is this toy important to you?
Draw a detailed picture of your toy.
3. Play with the toy for two minutes. Explore how the toy works.
4. **Grades K-3**
 - a. What do you notice? What do you wonder?
 - b. Record (write and draw) your observations. How does your toy move?
 - c. Share your thinking with your family.
 - i. What do they think? How does your thinking compare to theirs?
 - ii. How many parts does your toy have? Count the parts.
 - iii. What parts does your toy have? Label the parts on your drawing.
5. **Grades 4-6**
 - a. What do you notice? What do you wonder?
 - b. Record your observations. Share with your thinking with your family.
 - i. What do they think? How does your thinking compare to theirs?
 - ii. Think of your toy as a system. What are the parts (components) of the system? How are the components within the system interacting (working together)?
 - iii. Can you identify any subsystems in the toy system? If so, describe one subsystem.
 - iv. Share your thinking with your family. What do they think? How does your thinking compare to theirs?

Social Studies

Complete the first 5 pages of COVID 19 journal over the two weeks.

NAME _____ DATE _____

Penguin Families

1 How many penguins in each row?

one family

two families

three families

four families

five families

2 Fill in the counting by 3's numbers:

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
	21	22	23	24	25	26	27	28	29
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50

NAME _____

DATE _____

A Penguin Problem

1 Show how you solve the problem with pictures, numbers and words.

There are _____ penguins in the water.

There are _____ penguins altogether.

NAME _____

DATE _____

More Penguin Problems

Use pictures, numbers and words to show how you solve each problem.

1 8 penguins

were on the rocks. Twice as many were swimming.

How many were in the water? How many penguins altogether?

There were _____ penguins in the water.

There were _____ penguins altogether.

2 14 penguins

were on the rocks. Half as many were swimming.

How many were in the water? How many penguins altogether?

There were _____ penguins in the water.

There were _____ penguins altogether.

NAME _____

DATE _____

Skip Counting by 2's

1a Fill in the missing numbers.

1	2	3	4	5	6	7	8	9	10
11	12	13		15	16	17		19	20
21		23	24	25		27	28	29	
31	32	33		35	36	37		39	40
41		43	44	45		47	48	49	

b Write the missing numbers on the line.

2a Fill in the missing numbers.

1	2	3	4	5	6	7	8	9	10
11	12		14	15	16		18	19	20
	22	23	24		26	27	28		30
31	32		34	35	36		38	39	40
	42	43	44		46	47	48		50

b Write the missing numbers on the line.

3 Solve the problems below:

$34 + 2 = \underline{\quad}$

$44 + 2 = \underline{\quad}$

$26 + 2 = \underline{\quad}$

$11 + 2 = \underline{\quad}$

$17 + 2 = \underline{\quad}$

$43 + 2 = \underline{\quad}$

I won _____ ¢

Math Scavenger Hunt

Object of the Game

Are you ready for a scavenger hunt?

Find, make, or draw 15 of the 18 items from the list to be a Scavenger Scholar!

Materials

- Math Scavenger Hunt Record Sheet
Print the [record sheet](#) or write the numbers 1–18 on paper as shown.

MATH SCAVENGER HUNT | FAMILY GAME

Math Scavenger Hunt

Find, make, or draw...

1 a picture with rectangles on it	2 something that is 4 hands long	3 an odd number of objects
4 something that comes in groups of 2s	5 something that matches your age	6 a pattern that uses colors
7 3 objects in order from shortest to longest	8 something that looks like $6 + 6$	9 Subtract $30 - 20$ Find a group with that many objects.
10 an even number of objects	11 19 cents	12 a picture with triangles in it
13 Add $18 + 2$ Find a group with that many objects.	14 a number greater than 20 and less than 30	15 a pattern that uses numbers
16 a cylinder on top of another cylinder	17 something that is taller than you are	18 Write an equation. Find something that matches.

© 2020 The Math Learning Center - mathlearningcenter.org
The Math Learning Center grants permission to learners, families, and educators to reproduce these documents in appropriate quantities for educational use. While you may link to these resources, any other redistribution requires written permission.

- Something to write with (a pen, pencil, crayon, or marker)
- A curious mind
- Extra paper for drawings (optional)

Skills

This game helps us practice

- Recognizing math in our world

How to Play

1. Let's begin. Search your home for examples of the items on the list.
2. Check off each item when you find it. You can draw or write to describe what you found, too. Use separate paper, if you need to.
Hint: *If you can't find something on the list, make it or draw it yourself.*
3. Find, make, or draw 15 of the 18 items to win.
4. For an extra challenge, try to do every one.
5. Have fun!

Tips for Families

1. If you don't have a copy of the record sheet or can't print a copy right now, have your child make a numbered list or grid from 1 to 18 on paper and then check off each numbered item they find, make, or draw. Consider encouraging your child to include a drawing or brief description of what they found.
2. You don't have to complete the scavenger hunt all at once. You can come back to it later.
3. If your child can't find something, remind them that it's okay for them to make or draw it.
4. You can make groups of objects using small common objects, like buttons or coins. Arrange the objects in rows or groups to make them easier to count.

Change It Up

Making even small changes to a game can invite new ways of thinking about the math. Try making one of the changes below.

- Set a timer! How long does it take you to find 15 items? Did it take you more or less than 20 minutes?
- Make your own math scavenger hunt! Help your family find the items.

Math Scavenger Hunt Sample Responses

Grade 1 Math Scavenger Hunt

Find, make, or draw...

① a picture with rectangles in it	② something that is 4 hands long	③ an odd number of objects
④ something that comes in groups of 2s	⑤ something that matches your age	⑥ a pattern that uses colors
⑦ 3 objects in order from shortest to longest	⑧ something that looks like $6 + 6$	⑨ Subtract $30 - 20$. Find a group with that many objects.
⑩ an even number of objects	⑪ 19 cents	⑫ a picture with triangles in it
⑬ Add $18 + 2$. Find a group with that many objects.	⑭ a number greater than 20 and less than 30	⑮ a pattern that uses numbers
⑯ a cylinder on top of another cylinder	⑰ something that is taller than you are	⑱ Write an equation. Find something that matches

Phonics: Consonant Blends

br	cr	dr	fr	gr	tr
----	----	----	----	----	----

Read the word. Then write the letters from the box for the word.

Circle the picture that it names.

1. drum

2. frog

3. truck

4. brick

Write a sentence using a consonant blend word.

Name: _____ Date: _____

Phonics: Consonant Blends

skate sled smoke snip spot stop swing

Use the words in the box to name each picture. Then circle the letters that stand for the s-blend.

Write a sentence using a consonant blend word.

Pam and Sam Swim

Read the story. Then write a sentence about the story.

Pam and Sam go to swim.

Pam steps in. Sam jumps in. Plop!

Pam and Sam swim laps and play tag.

Then Pam and Sam stop and get out.

It's fun to swim!

Four sets of handwriting lines, each consisting of a solid top line, a dashed middle line, and a solid bottom line.

High-Frequency Words

by	good	them	who
----	------	------	-----

Read the words in the box. Write the word that completes each sentence. Remember, the first word in a sentence begins with a capital letter.

1. Kim and Jack are walking _____ the lake.

2. Sue is with _____.

3. _____ else is there?

4. Pete brought _____ snacks.

Write a sentence using a high-frequency word.

High-Frequency Words

out

then

there

was

Read the words in the box. Write the word that completes each sentence. Remember, the first word in a sentence begins with a capital letter.

1. _____ were two boys in the store.

2. One _____ holding an apple.

3. _____ he picked out a banana.

4. The other boy took _____
money to pay.

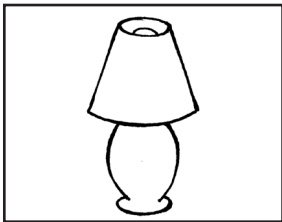

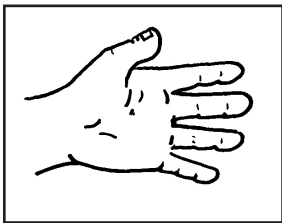

Write a sentence using a high-frequency word.

Phonics: Final Consonant Blends

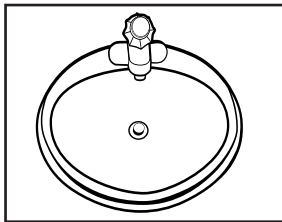

mp	nd	nk	nt	st
----	----	----	----	----

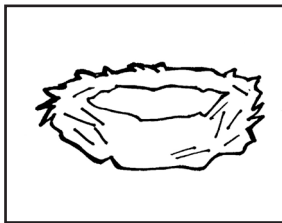

Say the name of each picture. Next to each picture write the letters that stand for its ending sounds.

1.  _____

2.  _____

3.  _____

4.  _____

5.  _____

6.  _____

Write a sentence using a final consonant blend word.

Jake's Pancakes

Read the story.

Draw a picture and then write a sentence to tell what happens next.

Jake woke up late.

He put on a robe.

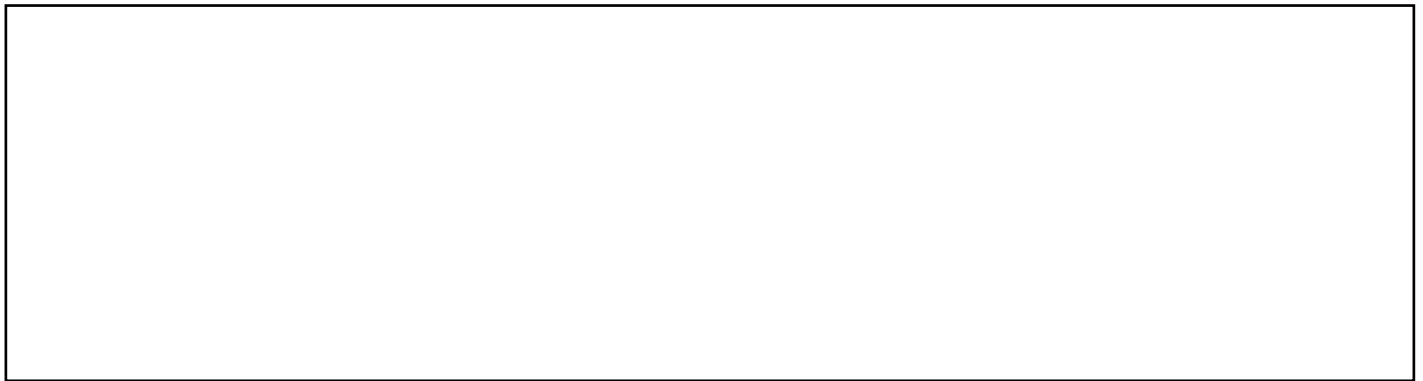

He made pancakes on the stove.

Then Jake smelled smoke.

No! The pancakes got too hot!

Jake had to trade the pancakes

for a plate of grapes.

Phonics Ice Cream Cones

Place the scoops of ice cream on the cones with the same sound.

Pete

cute

duke

flute

huge

these

mule

mute

rule

theme

The Rude Mule

Read the poem. Then write a sentence about an animal you think is cute.

I see a mule named Pete.

He is cute as can be.

I call him, but

He will not come to me.

That is rude!

But I still want to stay

To see Pete eat a bale of hay.

I think that

High-Frequency Words

house	long	off	small
-------	------	-----	-------

Read the words in the box. Write the word that completes each sentence.

1. Steve likes his _____ .

2. It's just a little _____ .

3. His _____ ears don't fit inside.

4. Too bad he can't take them _____ !

Write a sentence using a high-frequency word.

HOW MY FACE LOOKS

WORDS TO DESCRIBE HOW I FEEL:

WHAT I HAVE LEARNED MOST FROM THIS EXPERIENCE:

I AM MOST THANKFUL FOR

THE 3 THINGS I AM MOST EXCITED TO DO WHEN THIS IS OVER:

<p>1</p>	<p>2</p>	<p>3</p>
----------	----------	----------

MY COMMUNITY

COLOR THIS HOUSE
TO LOOK LIKE YOURS

WHERE I AM LIVING DURING THIS TIME:

WHAT THINGS ARE YOU DOING TO HELP FEEL CONNECTED/HAVE FUN
OUTSIDE (e.g hearts in windows, chalk notes on sidewalk, etc)

HOW ARE YOU CONNECTING WITH OTHERS?

YOU ARE NOT STUCK AT HOME,
YOU ARE SAFE AT HOME!

WHAT I AM DOING
TO KEEP BUSY:

OUR HANDPRINTS

PRINT THE HANDS OF ALL THE PEOPLE LIVING IN YOUR HOME
(IN DIFFERENT COLORS) AND PLACE YOUR HANDS HERE

SPECIAL OCCASIONS

WHAT OCCASIONS DID YOU CELEBRATE DURING THIS TIME?
WRITE THE LIST DOWN HERE AND WHAT YOU DID TO CELEBRATE
(E.G. ST. PATRICK'S DAY, EASTER, BIRTHDAYS, ANNIVERSARIES)

EVENT	DATE	HOW YOU CELEBRATED

INTERVIEW YOUR HOUSEHOLD

WHAT HAS BEEN THE BIGGEST CHANGE?

HOW ARE YOU FINDING HOMESCHOOLING?

DAYS SPENT INSIDE

HOW ARE YOU FEELING?

YOUR TOP 3 MOMENTS FROM THIS EXPERIENCE:

1. _____
2. _____
3. _____

WHAT ACTIVITIES/HOBBIES HAVE YOU MOST ENJOYED DOING?

WHAT ARE YOU MOST THANKFUL FOR?

WHAT TV SHOW YOU WATCHED : _____

GOAL/S FOR AFTER THIS:

YOUR NEW FOUND FAVORITE INSIDE HOUSEHOLD ACTIVITY:

FAVORITE FOOD TO BAKE: _____

FAVORITE TIME OF DAY: _____

Phonics Ice Cream Cones

Place the scoops of ice cream on the cones with the same sound.
