

# ESL at Home 3-5

Use notebook paper to complete these activities. Do one each day!

Monday	Tuesday	Wednesday	Thursday	Friday
Choose any TV show or movie. Write the title, characters, setting, beginning, middle, and end.	Use things you can find in your house to invent something new. Illustrate and label it. Write about how you would use this invention to solve a problem.	Write a letter to your teacher about what you did today. Use words like first, next, then, last, and finally.	Find something in your house that starts with every letter of the alphabet. Example: <b>A:</b> airplane toy <b>B:</b> bread	Choose something in your house to use as a measuring tool, like a water bottle or a spoon. Measure 10 things with that tool and make a list. <b>Example:</b> My bed is 12 water bottles long.
Monday	Tuesday	Wednesday	Thursday	Friday
Find 30 objects in your home. Sort them into lists. Example: things that are red, things that are plastic, things that are magnetic.	Roll up three pieces of paper to make tubes. Stand them up. See how many things you can stack on top of the tubes. Make a list of all the things you were able to stack.	Create a scavenger hunt for your family. Hide things around your house, then write clues to help them search.	Write acrostic poems to describe each member of your family (even your pets!) Example: <b>M</b> - magical <b>A</b> - ambitious <b>X</b> - eXcellent	Think of two characters from two different books or shows. Write a story about what might happen if they met each other.
