### Description

Palomar School is one of the schools in the Chula Vista Elementary School District, including charters. The school serves Kindergarten through sixth grade and special education students in Pre-K (SDC) through 6th grade. Our relatively small student population (316) gives our school a feeling of community.

### Mission

Palomar School's mission is to provide:

- A safe and supportive environment that encourages consideration for others, self-discipline, and responsibility.
- An opportunity for each student to reach his or her own potential.
- A broad, basic curriculum with a variety of instructional methodologies.
- Parental and community involvement.

Palomar School's priorities were to:

- Improve staff, parent, and community communication
- Implement early intervention strategies that support all aspects of student success
- Strengthen the Language Arts program with an emphasis on reading, comprehension, vocabulary, spelling, grammar, and writing
- Develop grade-level expectations for mathematics, which reflect both computational skills and conceptual mathematical thinking and understanding.

### Extended Learning Opportunities

Palomar provides a variety of programs that differentiate curriculum for the needs of all students. The Gifted and Talented Education (GATE) program allows high-achieving students to extend learning beyond the confines of the classroom.

Palomar School provides support for At-Risk and English Language (EL) learners.

### Progress Indicators:

Palomar School uses a variety of assessments to monitor the progress of our students. The school's curriculum, instruction, and assessments are all standards-driven. Teacher-created, in-program, computer, and all other academic assessments are based on the standards and used to modify instruction. Each year the staff analyzes content clusters and skills in reading/language arts and math to identify weakest areas and meets with colleagues to modify instruction, focusing on areas of need, improving these and other important skills for all students. Ongoing staff development is provided by district coaches in various content areas.

Student achievement assessment data is analyzed and used to guide instruction and determine the site's goals for this School Plan for student achievement.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

The Chula Vista Elementary School District follows the State's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards.. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

### School Facility Conditions and Planned Improvements (Most Recent Year)

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Classroom space at Palomar Elementary School is adequate to support our school's current enrollment. The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. Palomar custodial staff performs basic cleaning operations daily. Physical conditions that could lead to accidental harm (e.g. damaged fences or lights, broken glass) are corrected promptly.

The custodian is responsible for ongoing maintenance/inspection of school facilities. Concerns are reported to the principal and acted upon immediately.

All persons coming into the school area are required to check in through the office when there are checked in with the Raptor system. All volunteers and visitors are required to sign in and wear a badge acknowledging them as volunteers. All staff are requested to challenge unknown persons not wearing identification badges. All entrances to the school are locked after the start of the school day.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

##### Percentage of Students Meeting or Exceeding the State Standard

ELA	51	N/A	64	N/A	50	N/A
Math	40	N/A	51	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-21)

Contact person: Principal Patricia Magana, Ed.D.

Contact Person Phone Number: (619) 420-0134

Research shows a high correlation between parent involvement and effective schools. We encourage parents to become actively involved in our school. Parents are also encouraged to become involved with the educational program by becoming members of the school's School Site Council, ELAC committees, and District Advisory Committee meetings. Monthly "Coffee with the Principal" (zoom) sessions are conducted and monthly topics are scheduled based upon data collected from parents who completed a Parent Needs Assessment.

At Palomar School, there are many opportunities for parents to become actively involved in student and school activities. Students and parents are also invited to family nights and participate in separate activities such as informational parent meetings and our annual variety show.

Parents and the community are encouraged to attend and participate in school-wide recognitions, celebrations, and family support services. These events include our school spirit week, monthly recognition assemblies, nutrition planning and education for families, and Olympic Sports Days. Palomar School administration, teachers, and staff continue to work with parents to ensure they have a place they feel welcome. We have collaborated with the Chula Vista Elementary Council of PTAs to re-establish a fully functional Parent Teacher Association on our campus.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

Student safety and well-being are promoted by activities including emergency and earthquake preparedness drills, bus evacuation drills, playground supervision, drug and alcohol abuse prevention programs, child abuse awareness, a School Safety Patrol, and a Peace Patrol. Palomar's Safe School Plan is available in our school office for all community members to read. Some key components and ongoing goals of that plan are:

Students will be taught techniques to deal with bullying and mutual respect

We have a school social worker to support our teachers, students, and families.

The unique talents and gifts of students and staff will be recognized, and efforts will be made to enable people to share those gifts and talents in school programs and committees.

Ongoing training will be provided to meet the changing needs of the student body e.g., training in conflict resolution, anger management, cultural awareness, alcohol, and other drug use prevention, and child abuse reporting requirements.

Child abuse reporting procedures training, Peace Patrol, At-risk Students, Red Ribbon Week, and Student Attendance Review Team (SART) meetings, will be ongoing.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	3.3	3.0	0.7	0.8	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	4.0	0.6	2.5
Expulsions	0.0	0.0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

#### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement			

Staff development has been provided in Language Arts, working with English Language Learners, the School Improvement process, as well as how to best meet the needs of students with special needs. We will continue to provide professional development in the following areas:

School Focus: Math Instruction

Emphasis: English Language Learner support

Areas of professional development:

- small group instruction
- 2020-21 CART collaboration time to develop common lessons focused on common core state standards
- Content objectives stated for all areas
- Language objectives stated for English Learner support
- Planned collaboration activities
- Designated ELD instruction (30 minutes K-3, 45 minutes 4-6)
- Frequent monitoring of student achievement by examining data/planning interventions

Additional professional development cycles for the Instructional Leadership Team have been conducted within the CVESD cohort model. Topics of study include leadership development, high-impact instructional strategies, and an in-depth study of the California English Language Development standards with a specialized concentration on Collaborative Conversations and keeping student thinking of the forefront of all instructional practices.

Teachers have also received training on Youth Mental Health First Aid, Restorative Practices, Positive Based Interventions and Supports, and Welcoming Schools protocols. ILT members are currently working on a plan to return to school when it is safe to do so (Hybrid).

#### Types of Services Funded

Title I funds are used to allow release time for teachers to collaborate to look at student work and for professional development as well as provide for an Impact Teacher, 3 Instructional Assistances, and a School Social Worker.

Services provided enable under-performing students to meet standards:

Individual improvement plans have been developed for each student in language arts and mathematics. In addition to differentiated instruction, in-class flexible group support is provided daily by our push-in program, and at-risk students needing more intensive intervention are served by our daily small-group pull-out program, to support identified needs. Palomar also provides the community with a structured before- and after-school care program, STRETCH Powered by the YMCA, to students.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
