School Description

Feaster Charter School is a District Partnership charter school, which offers students, families and teachers a unique opportunity to work together to achieve shared goals for student academic and personal success. Our vision is to enrich our students' lives with a rigorous world-class education with an emphasis on Technology and STEM/ VAPA ideals. Feaster Charter School is one of 46 schools in the Chula Vista Elementary School District.

In 1997 in collaboration with teachers, staff, parents and students and with the approval of the Chula Vista Elementary School District Board of Education, Feaster became a charter school. Feaster Charter School currently serves approximately 1,200 students in transitional kindergarten through eighth grade. We also have a state preschool program on our campus. Feaster Charter is a neighborhood school; all of our students live within walking distance of the school.

Vision

At Feaster Charter School, students are at the center of all decision making. We prepare our students to become 21st century learners in a multicultural society by infusing Visual & Performing Arts as well as Science, Technology, Social Studies, Engineering & Mathematics into our daily curriculum and literacy instruction. This integration challenges our students to communicate and think critically, creatively and collaboratively. By introducing the Arts and Sciences we are fostering leadership and reasoning skills, as well as increasing self-esteem at a young age to make a life changing impact. The students who leave Feaster Charter School will be lifelong learners who are on their way to being college and career ready.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

The Chula Vista Elementary School District follows the state's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards.. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

School Facility Conditions and Planned Improvements (Most Recent Year)

Classroom space at Feaster Charter School is adequate to support our school's current enrollment. The District maintains a planned program that ensures routine maintenance functions are performed on a scheduled basis. Five custodial staff performs basic cleaning operations daily. We have a partnership the the YMCA. They provide before and after school student monitoring activities for a large group of students under their registered program. Our YMCA Program offers after school activities, tutoring, homework club, and a number of other programs for over 200 students. Our campus has had two major dirt areas upgraded to create an park-like feel for teachers, parents and students to use before, during, and after school. Further this helps the diminish dust and allergens that may affect students with asthma. We added a drainage channel to remove the standing water and reduce chances of mosquitos/west nile virus. Feaster was modernized in the summer of 2020.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	45	N/A	51	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Contact person: Claudia Acuna (Community Liaison)

Contact Person Phone Number: (619) 422-8397

Feaster Charter School recognizes that it is not enough to improve instruction, curricula, or materials. Success depends on support from parents, businesses and community organizations. Thus the Principal and Lead Team identify critical support staff. One such person is the Community Resource Director who encourages parents to become school volunteers and partners in learning. Vehicles for parent and community participation include Feaster Charter Board, English Learners Advisory Committee, and Parent Teacher Organization. An integral part of our governance model is our Charter Board which has a majority of Parents as members. This group is further augmented by local business and civic community leaders who oversee the charter. This group meets regularly with the principal. We encourage parents to visit and become active in our school.

Feaster Charter Board

There are seven members on the Feaster Charter Board. This body has a large representation of parents and staff members. The English Learners Advisory Committee is a non-voting advisory committee to the Feaster Charter Board. Council members take an integral part in monitoring school programs and progress. The Council approves the Student Achievement Plan, reviews, monitors the school budget, implements the charter, and supports the principal and the school.

English Learners Advisory Committee

Feaster has an active English Learners Advisory Committee (ELAC). The purpose of the ELAC is to develop a school plan relating to the Dual Immersion and ELD programs, to conduct a school needs assessment, and to make other parents aware of the importance of regular school attendance.

Parent Teacher Organization

We have a very involved Parent Teacher Organization (PTO). The group has sponsored many projects for the benefit and welfare of our children. These include participation in fund raisers, identifying chaperons for field trips, volunteering in classrooms, school festivals, support of our ASB, and much more.

Family Curriculum Development Program

During the school year we offer a number of classes for parents. English classes/ ILE for Parents and Zumba Fitness classes are offered to parents in our community. Grade levels regularly host Family Reading, Writing and Math Nights, and specials teachers offer classes within their curricular specialty in three week increments; such as art, science, dance, music, computer technology, and engineering and design.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Student safety and well-being is promoted by activities including emergency and earthquake preparedness drills, bus evacuation drills, playground supervision, drug and alcohol abuse prevention education programs, child abuse awareness, a program directed toward gang suppression, and a Peace & School Safety Patrol. We have programs designed as an intervention to at risk students with attendance and tardy problems. We also focus on character education, this year's program will also include lessons from Sanford Harmony, a curriculum for Social and Emotional Learning. The School Site Council approved the School Safety Plan on January 13, 2020.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.0	1.8	0.7	0.8	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.8	0.6	2.5
Expulsions		0.0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	20	15	18

Each year, targeted professional improvement activities are provided for teachers, instructional aides, and other employees. Activities reflect the school's goals and objectives and are part of our School Site Plan. Staff development topics for 2019-2020 and 2020-2021 included:

On going Benchmark and Local Measure data analysis in student assessments, detailed analysis of how individual students performed in identified classrooms, focusing on the standards, and productive group work. Additionally our on site coaches provided training in their respective areas of expertise (Science, ELD, Math, Reading, Writing, Social Studies) through curriculum demonstrations and fairs conducted throughout the year. Additional staff development was provided in the Gradual Release of Responsibility model of instruction, as well as training in Reading Fluency instruction, the ELA standards and focused revision writing strategies.

Throughout the year, we offer several professional development opportunities. The trainings include teachers, instructional aides, and other staff members. The focus of each professional development opportunity varies and is based on a needs assessment. Further, staff has been provided in training in Classroom Management, Trauma Informed Practices and a variety of Social & Emotional Learning topics.

Some topics that we have worked on this school year include:

- Classroom Management
- Designated ELD
- Small Group Instruction
- Learning Intentions & Success Criteria
- Writing & Writers' Workshop
- Character Strengths/SEL
- Trauma informed Practices
- Equity and Social Justice

Due to the transformation to distance learning, much of our professional development this year has had a focus of taking what we learned in the past and adapting it to the constraints that we are faced with in distance learning.

Types of Services Funded

Feaster Charter School provides services to students and support to teachers over and above what can normally be funded at a regular public school. Our funds are used to hire Art, Music, Dance, Science, Technology, Engineering and PE teachers who impact the entire school from Kinder to Eighth Grade. We have two literacy teacher coaches and one new teacher coach who provide staff development, and coaching to our classroom teachers. Classroom instructional assistants provide support to teachers and students in the classroom working with small groups of students and providing one-on-one tutoring throughout the school day. Additionally, our school has a counseling center with 2 full time credentialed school counselors that work one on one and in in small groups with students.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
