Description

Hazel Goes Cook School is one of 49 schools in the Chula Vista Elementary School District, including charter schools. The school was built in 1955 and underwent extensive renovation in 1999. The campus includes five classroom wings, a library, a multipurpose room, a computer lab, and a portable that houses the YMCA.

Mission

Hazel Goes Cook School's mission is to empower students to become responsible global citizens and lifelong learners. We are committed to fostering students to become inquiring, knowledgeable, and caring participants in a diverse, multicultural, democratic society through quality education and high expectations. Our students will be prepared with the knowledge and compassion to equip them with the expertise to be globally active leaders of the 21st century.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

The Chula Vista Elementary School District follows the State's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards.. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

School Facility Conditions and Planned Improvements (Most Recent Year)

Classroom space at Hazel Goes Cook Elementary School is adequate to support our school's current enrollment. The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. Cook custodial staff performs basic cleaning operations daily. Supervision is provided before and after school to ensure the safety of all students. There is sufficient classroom, playground and staff spaces to support teaching and learning.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	42	N/A	51	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Contact person: Principal Gabriela Llamas

Contact Phone Number: 619-422-8381

Research shows a high correlation between parent involvement and effective schools. We encourage parents to visit and become active in our school. We work closely with our community and when concerns arise we work with our parents and students to find a solution. Cook School has a Parent-Teacher Association (PTA). It sponsors numerous projects for the benefit and welfare of our children. Some of the events sponsored by our PTA include a Welcome Back Picnic, Spelling Bee, book fairs, fundraisers, Fall Festival, and Family Dance to name a few. Many parents and members of the community have the opportunity to volunteer in our classrooms and/or help with special events. The Cook ELAC Committee works with staff to provide an effective English Language Development Program for our English Language Learners. The ELAC Committee also monitors school attendance. Additional leadership opportunities for parents include SSC and MTSS committees.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Student safety and well-being is promoted by activities, including emergency and earthquake preparedness drills, bus evacuation drills, playground supervision, drug and alcohol abuse prevention education programs, child abuse awareness, PYP Attitudes, Peace Patrol and School Safety Patrol. Supervision is provided before and after school to provide safe ingress and egress of students, which includes playground supervision beginning at 7:45 AM each morning. The School Site Council approved the School Safety Plan on January 7, 2021.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.3	1.6	0.7	0.8	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	3	0.6	2.5
Expulsions	0	0.0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement			

Each year, targeted professional improvement activities are provided for teachers, instructional aides, and other employees. Activities reflect the school's goals and objectives and are part of our School Single Site Plan.

Staff development topics planned for 2019-20 will focus on Equity based practices:1) Primary Year Program (International Baccalaureate Program 2) Mathematics Lesson Study and Mathematic Language Routines 3) Social Emotional Learning. The Instructional Leadership Team helps drive the instructional focus and professional development to continue supporting our ongoing work to improve student achievement at Cook Elementary School. The team is made up of classroom teachers representing each of the grade levels. The ILT meets every other Monday after school, and also meets for all day meetings throughout the school year.

Types of Services Funded

Supplemental educational services are provided at Cook School to support and assist students in a variety of ways. Two instructional aides provide intervention services in reading for students in first through third grade. A part time library clerk is employed to assist teachers and students in finding resources to support and encourage reading in school and at home. An instructional aide is employed to provide instructional support for English Language Learners, and complete mandated testing. Supplemental Programs such as Smarty Ants, Achieve and Levered Math are funded to provide reading comprehension support and nurture students' love of reading. Funds are provided to augment and support ELD instruction for all grade levels, and books for the school library and the book room. Instructional materials are purchased to support classroom instruction.
