Description

Fred H. Rohr School is one of 49 schools in the Chula Vista Elementary School District, including charters. Rohr School was built in 1965. During the summer of 2004 the entire school underwent a complete remodel. The school is situated in a park-like setting. The buildings consist of three instructional pods of six classrooms each, a kindergarten wing of two classrooms, two portable classrooms and an administration wing that includes an auditorium/cafeteria and library. With the District's support of Local Control Accountability Plan funds, the school has weekly visual and performing arts instruction for the students in the areas of visual art, music, and physical education. This year 3rd-6th grade students are able to participate in a string orchestra program in partnership with the San Diego Symphony as a VH1 Save the Music grant. Integrated technology in the content areas is taught to K-6th grades students in the classroom; additionally the school is utilizing Accelerated Reader, Achieve 3000, and Smarty Ants computer programs. Furthermore, Rohr has added iReady and Go Math digital resources to support math instruction.

Rohr has embarked on a three year Professional Learning Cycle focused on creating a balanced literacy program in all classrooms. The learning cycles are centered on interactive read-aloud, shared reading, guided reading, and independent reading. Next year, the integration of writing within and across the curriculum will be a focus for school-wide learning. The professional learning cycle will deepen the understanding of reading and writing instruction to positively impact our school community. As we embarked this year on the Distance Learning setting, the Rohr community is working diligently to ensure literacy skills continue to be developed through the integration of digital resources and platforms.

Vision

The Rohr Community is committed to creating a challenging and nurturing environment where all students are valued, loved, and respected. Through the cooperative efforts of staff, students evolve into innovative thinkers, socially responsible citizens and lifelong learners who positively influence the world around them.

Mission

Each day the Rohr Community will provide a safe and nurturing learning community for each individual child to grow and flourish. All educators will model, instruct, and provide rigorous instruction to all students in all content areas.

The teachers and staff have developed the "ROAR" values of being respectful, owning choices, always being safe, and being responsibility. These are the building blocks toward student success and life-long learning. These basic values and beliefs are the foundation upon which we build our daily instruction and for our students to be successful in life. In keeping with the Chula Vista Elementary School District's core value, Rohr staff believes all students are unique, special, and individuals of great worth!

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

The Chula Vista Elementary School District follows the State's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards.. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

School Facility Conditions and Planned Improvements (Most Recent Year)

Classroom space at our school is adequate to support our school's current enrollment. The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. Custodial staff performs basic cleaning operations daily.

This year we have updated the document projectors in each of the classrooms.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	27	N/A	51	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Contact person: Principal Mrs. Erin Williamson

Contact Person Phone Number 619-420-5533

Research shows a high correlation between parent involvement and effective schools. Rohr staff encourages parents to visit and become active participants in the school. Rohr School has an active PTA, ELAC and SSC. Parents partner with the staff at Rohr to make suggestions to improve and enhance the learning environment at Rohr. This year our goal is to create activities that will promote the school and home connection. We have created numerous school events such as movie night, harvest festival, and parent workshops to promote the partnership. The staff and the PTA has made it a goal to promote school attendance by recognizing classrooms and students that maintain perfect attendance. The principal has conducted coffee with the principal sessions to discuss topics of interest relevant to school attendance, budget, student academic achievement and English Learner instructional needs in the ELAC and SSC meetings. Our goal at Rohr is to foster lasting relationship with parents to promote student success. The CVESD "Student Based Decision Making" philosophy guides all of our decisions.

Parents are encouraged to call 619-420-5533 in order to find out more about becoming involved in school activities. Spanish translation is also available for parents and guardians. Information is posted weekly on the school blog, through the parent newsletter, and automated phone calls made to the households to keep parents informed. In addition, Rohr will continue to communicate with parents via technology. Rohr has created a Twitter account, Class Dojo school account, and a Wordpress parent blog.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The School Safety Plan was shared with the Rohr Community throughout the Winter of 2020.

During our ELAC meeting on December 8, 2020 there was time for parents and families to provide input on safety concerns around campus. The community was invited to the meeting via a school messenger call on 1/18/2021, it was announced in our school newsletter for two weeks prior to the meeting, the parent newsletters was posted on our school blog for the two weeks prior to the event, the event was posted on Class Dojo during the week of December 7, 2020. The same means of communication methods were provided for our School Site Council meeting on January 20 starting the week of January 5. Time was provided during public comment for the general public to give their input and feedback on the Safety Plan. All communication was provided in both English and Spanish to ensure the appropriate avenues were utilized to reach the community. The plan was approved by Site Council on January 20, 2021.

The SSC approved the Safety and Site Emergency Plans on January 20, 2021. Student safety and well being are promoted by the following activities which include and are not limited to: emergency, fire, and evacuation drills, drug and alcohol prevention programs, and child abuse awareness programs for students and parents. Playground supervision by both certified and classified staff, and continued utilization of the Safety Patrol to monitor students' movement across busy intersections, play a key role in maintaining discipline and safety on campus. The school-wide "ROARing" expectations are the guiding principles to support student behavior. The school psychologist and social worker conduct weekly social growth groups for recommended students and a SDSU intern provides additional sessions under their supervision. The principal conducts classroom visits, and holds assemblies for all students. Student expectations are reviewed quarterly by teachers and students are honored who demonstrate exemplary behavior to their peers and others. Students who have made progress in academics and citizenship are recognized at the quarterly assembly.

Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	0.6	2.5
Expulsions	0	0.0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	27	27	27

Each year, a variety of professional improvement activities are offered for the staff. Activities reflect the school's goals and objectives and are part of Rohr's School Plan for Student Achievement.

A weekly system for teacher collaboration provides teachers with the opportunity to deconstruction standards, analyze data, and design standards based instruction that address the students' academic needs. During the 2019-2020 school year, the Kinder-6th grade teachers started using the Benchmark Education Advance Literacy Curriculum. With the support of the Benchmark Education consultants, teachers have been able to effective utilize the resources to execute the Common Core standards in the classroom. This year, we have had classroom modeling and coaching to solidify the information in collaboration with the Benchmark Education consultants. The past three years, the staff has participated with other district schools in the implementation of the Common Core math standards by utilizing the math framework to structure lessons and determine appropriate strategies to meet students' needs.

Throughout these past three years the staff also participated in many staff development sessions that included opportunities for training in the English Language Arts, Math, and English Language Development Standards areas which include:

- The school's primary professional development focus was on the reading and writing differentiated instruction for all students in a balanced literacy program.
- There has been school-wide professional learning for all staff on Tier 1 Positive Behavior Intervention System
- Gradual Release of Responsibility Training, including learning intentions and success criteria.
- Instructional Leadership Team, focusing on the implementation of a professional learning cycle to develop teacher expertise in read-aloud, shared reading, and guided reading.
- Math professional development on problem solving and the use of the math teaching standards
- Quarterly collaboration with Special Day Teachers and support staff to align with school-wide professional learning focus

Rohr teachers participated in professional development through staff development activities in the areas of Language Arts, English Language Development and Math; subgroup focus is Students with Disability and English Learners. Quarterly monitoring is conducted with leadership to monitor student growth in all target groups.

During 2019-2020, the kindergarten-6th grade teachers training included: Balanced Literacy specifically focused on reading comprehension in shared reading and guided reading. A partnership with Benchmark Education has supported the collaboration and co-planning of language arts lessons across grade-levels. We have continued this work in the 2020-21 school year and how the best practices are integrated in Distance Learning.

Types of Services Funded

Most categorical fund expenditures are for classroom services and supplies, including employee salaries and fringe benefits. Title I funds were used to pay for professional development, computer software programs, reading and math intervention support, one additional day of Psychologist services, and instructional material that supported the teachers and were a direct service to all Rohr students. Title I parent participation fund is earmarked for parent involvement and academic workshops that will impact their children's learning.

The Rohr School Site Council approved the hiring of an Instructional Assistant to provide push-in services to upper grade teachers during their instructional math block. The instructional assistant for reading provides targeted, early reading skills to identified students. The instructional assistant uses SIPPS to provide focused early literacy skills throughout the day. In addition, SIPPS is part of the daily instruction in classrooms.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
