Description

Chula Vista Learning Community Charter School opened in September 1998. The school is a 50/50 Dual Language Program and serves a student population from Transitional Kindergarten to High School.

Vision:

The Chula Vista Learning Community Charter School believes in the full potential of each and every individual to act with integrity and to create their own knowledge.

Mission:

Students are respected as intellectuals as they develop their individual authentic self. Our robust academic program is focused on expanding language, developing core ethics, and building knowledge across content areas.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <u>https://www.cde.ca.gov/ta/ac/sa/</u>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <u>https://www.cde.ca.gov/fg/aa/lc/</u>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

The Chula Vista Elementary School District follows the State's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards.. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

School Facility Conditions and Planned Improvements (Most Recent Year)

Classroom space at CVLCC is adequate to support our school's current enrollment. The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. CVLCC's custodial staff performs basic cleaning operations daily.

All students are supervised at the beginning of the school day by a noon-duty supervisor, parent volunteers, and the director. At dismissal time, teachers dismiss students according to parent preference: walk home, YMCA, after school program, and parent pick-up. Remaining students are walked to traffic pattern by their teacher and are dismissed accordingly.

Safety procedures that are currently being implemented:

- Any person entering campus after scheduled start times must report to the office and receive a visitor's pass.
- An authorized adult through the office must check out students leaving campus during school hours.
- A school-wide discipline plan is annually reviewed and individual classroom discipline procedures are discussed with parents during Curriculum Nights.
- All students wear uniforms to school.
- All teaching and support staff consistently monitor classrooms in order to maintain a safe environment conducive to learning.
- Classrooms are earthquake ready
- Air conditioning and heating equipment has been installed to make the classroom environment pleasant for learning.
- Maintenance requests are reported immediately, prioritized and acted upon in a timely manner.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

| Math | 28 | N/A | 51 | N/A | 39 | N/A |

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

- The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
 - Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents play a very important role at the Chula Vista Learning Community Charter School. We believe: "When parents, students, teachers and community partners work together, they make a difference in a child's educational career."

We take pride in learning through the expertise parents bring to our school. We value their commitment to our students, as well as our school vision.

Research shows a high correlation between parent involvement and effective schools. We encourage parents to become actively involved in our school. We have Parent Information Nights to keep parents informed about assessment, curriculum and instruction and we provide parents with ways in which they can become partners with us in the education of their children.

We encourage parents to read to their children at home, provide cultural activities, and attend school functions with their children. Please contact school site secretary if you wish to become involved in school activities, as well as be directed to the appropriate school. English and Spanish translation is available.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Student safety and well-being is promoted by activities, including emergency and earthquake preparedness drills, bus evacuation drills, playground supervision, drug and alcohol abuse prevention education programs, child abuse awareness, Bullying Prevention Program, a program directed toward gang suppression. The School Safety Plan is reviewed annually during the CVLC Charter Board Meetings. Parents have the opportunity to suggest and/or comment on the current plan. In the September 10, 2018 Charter Board Meeting, stakeholders were invited to participate in the process of reviewing the School Safe Plan. Further communication was disseminated via school messenger on January 7, 2021 and Jupiter Grades on January 7, 2020, and on January 8, 2021 parent phone calls. A presentation of the School Safe Plan was presented to the community on January 11, 2021 and approved by the Charter Board on the same date. Copies of the School Safe Plan for each school site location are available at the school office.

Suspensions and Expulsions

| Expulsions | 0.0 | 0.0 | 0.0 | 0.0 | 0.1 | 0.1 |

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

| Rate | School 2019-20 | District 2019-20 | State 2019-20 |
|-------------|-------------------|---------------------|------------------|
| Suspensions | 2 | 0.6 | 2.5 |
| Expulsions | 0 | 0.0 | 0.1 |

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

| Measure | 2018-19 | 2019-20 | 2020-21 |
|---|---------|---------|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement | 5 | 7 | 5 |

Each year, targeted professional improvement activities are provided for teachers, instructional aides, and other employees. Activities reflect the school's goals and objectives and are part of our Local Educational Agency (LEA) Plan. Staff development topics include:

Creating Cultures of Thinking (meta-cognition); Direct instruction on the delivery of content and language objectives; Observation Protocols; Integration of writing to improve school wide focus on literacy; All new teachers receive professional learning on vision and mission expectations, as well as professional learning strategies to engage thinking and learning. The Inquiry Model has been implemented to address the California Common Core Standards. In 2017-18, teachers will continue processing the inquiry model as well as additional instructional strategies to improve student learning. The Professional Development will continue to focus on Professional Learning Communities (PLCs). Teachers receive feedback through Instructional Rounds. In 2018-19, faculty will participate in the area of Instructional Rounds and alignment with Teaching for Effective Learning. In 2019-20, faculty will continue to receive learning opportunities in designated and integrated language development, Guided Language Acquisition and Design strategy work, and continued work with Harvard Graduate School of Education and University of San Francisco consultants. During the 2020-21 academic school year, remote learning opportunities have been programed to facilitate professional learning in anti-bias/anti-racist education, social justice, restorative justice, curriculum planning, as well as social emotional learning. Cognitive Guided Instruction in Mathematics has been planned for primary grades K-5 and professional learning opportunities in Mathematics with the University of California, San Diego. The school is also planning professional learning in anguage acquisition for all grades Tk-12th.

Teachers continue to work on improving instructional units based on student data. Instructional units focus on grade level common core standards to further support targeted achievement goals. Through planned professional development days, teachers collaborate with others in sharing teaching strategies that promote positive student outcomes. The implementation of instructional rounds allows for the teaching community to develop a collaborative learning environment and improve student learning. There has also been a strong focus on the integration of human rights education to link social justice topics.

CVLCC's After School Program: Programs at CVLCC target levels of inquiry, skills and metacognition in the areas English Language Arts, Spanish Language Arts, and Mathematics for all targeted students CVLCC's MicroSociety® Program is the only student-based whole school reform effort of its kind. This research-based education program transforms classrooms by providing a real world context for academic learning. Students collaborate with parents, business volunteers, and teachers to create functioning small communities. Traditional academic subjects are studied in the morning and then applied to "on the job" program activities. Students spend 45 minutes or one class period each day in their jobs where they learn to run businesses, apply technology, develop government and social agencies, and create cultural/arts organizations. Gradually, students become immersed in the realities of a free-market economy, replete with taxes, property concerns, income issues, and politics. MicroSociety® enables teachers to answer two persistent questions students ask: "Why do I need to know this?" and "How do I fit in?"

(Note: Program placed on hold due to COVID-19 Restrictions/Remote Learning).

CVLCC Internships: Students in 11th grade participate in our internship program to provide a connection between our MicroSociety Program and the Real World. Students learn on the job skills, as well as the necessary knowledge to participate in the transformation of current society. (Note: Program placed on hold due to COVID-19 Restriction/Remote Learning).

A cohort model was adopted for targeted students in grades TK-12th to support students with Distance Learning.

Career Technical Education Programs

The Chula Vista Learning Community Charter School High School provides courses to prepare students for university life. Advanced Placement courses and Honors courses in content areas serve to enhance student potential and abilities to master university life. Further collaboration with the University of California, San Diego Extension provides university courses for students in high school.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <u>https://dq.cde.ca.gov/dataquest/</u> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://<u>www.caschooldashboard.org/</u> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
