School Description

Burton C. Tiffany School is one of 46 schools and 3 independent charter schools in the Chula Vista Elementary School District. Tiffany School includes 30 classes, K-6, an SDC preschool, and three special day classes. We opened up a kindergarten Dual Language Immersion Program for the 2019-2020 school year and will be adding one grade level each subsequent year until the program is implemented in kindergarten through sixth grade.

Mission

Our mission at Tiffany School is to provide an educational environment that encourages all students to achieve their full potential:

Instructional Excellence

Student Responsibility

Parent Support and Involvement

Shared Vision

Tiffany's learning community (students, staff, and parents of Tiffany students) believes in an environment where all stakeholders are valued and respected, where learning is a life-long process, and where we empower character development and celebrate cultural diversity. We take pride in our school and provide instruction based on clear academic standards and high expectations. We believe that the learning and working environment should be safe and nurturing.

Students are provided with the tools and strategies to become proficient in English Language Arts, Mathematics, Social Studies, Science, and the Visual/Performing Arts. With the guidance of their teachers, students will become self-starters that strive to be good citizens and socially responsible.

Teachers and staff are provided with opportunities to effectively practice and enhance their teaching. We are committed to working as a team to support one another as leaders in our learning community.

At Tiffany School, students, staff, parents and all community members are encouraged to give input, work together as a team, and demonstrate professionalism and personal integrity. We will take responsibility for bringing our vision to reality so that all of our students can reach their personal and academic goals.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

The Chula Vista Elementary School District follows the State's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards.. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

School Facility Conditions and Planned Improvements (Most Recent Year)

The school was built in 1975 and is characterized as a loft school. In the summer of 2005 Tiffany School was remodeled. The entire infrastructure was remodeled.

In the summer of 2011, a new fence was built to enclose the Kindergarten play area. This space is now self-contained. Gates exists on both the north and south side for access.

In the summer of 2013, a new upper area parking lot for staff was constructed to alleviate traffic and parking concerns.

The custodian is responsible for on-going maintenance/inspection of school facilities including checking for loose items, leaks, unsafe equipment, plumbing problems, etc.

The school has adequate protection against slipping in hallways, adequate protection against falls from recreational equipment, and landscape designs that prevent students from climbing to dangerous heights.

Children and playground supervisors are instructed on the proper usage of equipment.

Regular reports on school crime and safety data are made at public school board meetings, and school advisory meetings will be supported.

We continue to update our computer lab with the best available technology on a yearly basis.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	70	N/A	64	N/A	50	N/A
Math	55	N/A	51	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Contact person: Principal Jonathan Morello

Contact Person Phone Number: (619) 421-6300

Research shows a high correlation between parent involvement and effective schools. We encourage parents to become actively involved in our school. We have Coffee with the Principal events to keep parents informed about assessment, curriculum and instruction and we provide parents with ways in which they can become partners with us in the education of their children.

Tiffany School had a very active Parent-Teacher Association during the 2019-20 school year with a high membership. Our PTA sponsors many projects for the benefit and welfare of our children and the community and our PTA is well regarded throughout Chula Vista and San Diego County. Parent Janice Oani is our current PTA President.

Currently, parents and members of the community volunteer regularly. Seven Tiffany School parents are members of the School Site Council and take an integral part in the development and implementation of the Tiffany Site Plan for Student Achievement. Our English Language Acquisition Committee (ELAC) meets monthly to discuss and become informed on policies and programs for our English Learners. We offer "Family Reads" throughout the year where we invite parents to attend a short presentation and then read with their children during the instructional day.

Please call 421-6300 if you wish to become involved in school activities. Spanish translation is available.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Student safety and well-being is promoted by activities including emergency and earthquake preparedness drills. Provisions and supplies for emergency evacuations have been obtained, and a comprehensive evaluation plan is in place. Consistent expectations communicated regularly promote student safety and good decision-making. The YMCA has a child care facility. In partnership with the City of Chula Vista, Tiffany has an after-school program called DASH, Dynamic After School Hours, which is designed to provide elementary school children with a variety of structured, recreational activities in a safe after-school setting. Activities are designed to foster teamwork, athletic skills, positive attitudes and self-esteem. First-aid and CPR classes are offered to staff through the district, the American Heart Association, and the American Red Cross. An automated external defibrillator (AED) has been added and is located in the Multi-purpose Room. The school has adequate protection against slipping in hallways, adequate protection against falls from recreational equipment, and landscape designs that prevent students from climbing to dangerous heights. Children and playground supervisors are instructed on the proper usage of equipment. Standard incident-reporting procedures are in place. This year we have added Peace Patrol to our playgrounds so that students may seek out other students to find peaceful resolutions to problems on the playground. The community will use the school during off-hours with the use of permits submitted through "School Dude". After-school, evening, and weekend use of school facilities by community organizations, and athletic groups is encouraged. The School Site Council approved the School Safety Plan on January 26th of 2021. The Safe School Committee holds meetings to address safety concerns and to set goals for the year in regards to safety issues for staff and students.

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	0.6	2.5
Expulsions	0	0.0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement			

Each year, targeted professional improvement activities are provided for teachers, instructional aides, and other employees. Instructional support for staff development is provided by the Principal, Specialists within the CVESD Instructional Services, and Support Department.

Activities reflect the school's goals and objectives and are part of our Single Site Plan for Student Achievement. The 2018-19 area of focus was determined by staff and School Site Council after analyzing data from the Common Core Standards: Increasing student efficacy through learning Intentions and Success Criteria. Grade level collaboration is also being utilized to analyze student performance. Staff training is delivered at staff meetings, district meetings, conferences and workshops. Staff is supported by grade level meetings, walkthroughs, principal feedback, and assessments.

Principal Cohort Group meetings and walkthroughs are another source of professional development for the staff. Together, the Principal Cohort Group provides objective feedback on the implementation of the Single Site Plan. Teachers continue to work on the developing standards based learning intentions and success criteria along with implementing social emotional learning.

During the 2020-21 school year, the staff will focus on students demonstrating deep understanding of source text through learning intentions and success criteria. We will also focus on strategies that will enable English Learners to meet standards in all areas. These include GLAD strategies as well as a lens on comprehension during designated and integrated ELD instruction. We will also continue to strengthen and align our K-2 balanced literacy programs.

Previous staff development is as follows:

Staff development for the 2010-11 school year focused on: Expository Text, Gradual Release of Responsibility, Mathematics - Algebra Initiative, and Side by Side Training.

Staff development for the 2011-12 school year focused on the Gradual Release of Responsibility (focus lessons) and using data to drive instruction.

Staff development for the 2012-13 school year focused on GRR (focus lessons, guided practice) and curriculum mapping.

Staff development for the 2013-14 school year is focused on Common Core implementation, particularly on Complex Text, Balanced Literacy, and writing in the 3 text types using Step Up to Writing.

Staff development for the 2014-15 school year was focused on math in Common Core.

Staff development for the 2015-16 school year was focused on student collaboration as well as an initial look at Close Reading in order to better reading comprehension skills.

Staff development for the 2016-17 school year was focused on examining standards for English Learners for designated ELD instruction as well as continuing to increase student collaborative conversations.

Staff development for the 2018-19 school year was focused on teacher clarity in math and developing learning intentions and success criteria tied to standards.

Staff development for the 2019-20 school year was focused students demonstrating a deep understanding of source text through collaborative conversations and short constructed responses.

Staff development for the 2020-21 school year was focused students demonstrating a deep understanding of source text through collaborative conversations and short constructed responses with a continued focus on learning intentions and success criteria.

Types of Services Funded

At Tiffany, the following programs are included: Limited English Proficient, English Language Acquisition Program, LCAP and Site. These funds provide an opportunity for Tiffany School to acquire human resources, equipment, supplies, technical services and materials, and professional development and training.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
