2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Daly's Vision Statement:

To build a positive self-identity and create a brighter future for every person

Daly's Mission Statement:

To instill hope by fusing compassionate education with leadership development for all who come through our door.

Daly Academy is an alternative education program for kindergarten through sixth grade in the Chula Vista Elementary School District. The focus of the program is to assess the behavioral needs of each student and provide the academic, social/emotional and life skills necessary to cope effectively with a neighborhood school program and the child's community. The Academy is a special education program that provides a uniquely integrated set of educational and mental health services to students who demonstrate a significant impairment in social and emotional development. This along with a leadership program started in the 2017-2018 school year provide a rich educational experience for students that come to Daly.

There are three Special Day Classrooms on site: One "small group support" (Students that require significant or even 1 on 1 support), intermediate (1st-4th), and one upper (4th-6th grade) classrooms. Classroom "make-up" changes based on the current year's enrollment and the specific needs of each child. Student's move in and out of Daly at all different times throughout the school year. The team makes decisions based on current enrollment. The classroom conditions provide a structured academic and supportive emotional learning environment, which enhances the learning experience, and promotes positive interactions among students and staff. Proactive instruction and encompassing curriculum foster personal and social skills development. Use of multi-modal instructional techniques address student learning styles and offer students opportunities to practice skills in a variety of ways. Cooperative learning strategies are used to promote teamwork, support struggling learners, and to engage students in learning. Curriculum components addressing self-awareness, self-esteem, personal development, tolerance, decision-making skills, civic responsibility, social relationships, conflict management, and anger control are used at appropriate grade levels. Classroom staff, Student Support Team, school psychologist, and licensed marriage and family therapist are available to provide daily counseling and support the classrooms with positive reinforcement and assist in the event of a crisis situation.

When students have made significant growth and improvement in the areas of social-emotional development, anger-management skills and academic responsibility, a transition plan is developed with the parent through an Individualized Education Plan (IEP) meeting to begin the process of acclimating the student back into a comprehensive school. The

2021-22 School Overview

Transition Plan is closely monitored and after agreed upon time lines, the IEP team determines a need for change of placement with the receiving school site.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Classroom space at Daly Academy is adequate to support our school's current enrollment. The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. Daly Academy's custodial staff performs basic cleaning operations daily.

The three classrooms at Daly Academy are maintained within one building. A security system monitors the school after hours and on the weekends. In addition, a sound monitor notifies the staff when someone is entering or leaving the building. A security fence, gate, and intercom system were installed in 2020 to protect the front entry way and also help kids stay safe inside.

Each classroom at Daly Academy is equipped with a telephone allowing intercommunication between administrators, the school office and other teachers. Each classroom at the school is equipped with two walkie-talkies available for communication should telephones become non-operational.

School and classroom design and conditions, as well as practiced routines and procedures, provide a safe and orderly environment that supports teaching and learning. Students are highly supervised throughout the day and the staff ensures that each student who has transportation is walked to the bus after school. Visitors sign in at the front office with a valid ID through the Raptor security system.

All regular staff members receive non-violent crisis training (CPI) and well as CPR training through the district office.

The Daly Creativity Lab (Maker Space) and Therapy garden are consistent areas that are targeted for upgrades and improvements. These spaces provide a unique educational experience for Daly students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with “NT” values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Contact Person: Joseph Prosapio
Contact Person Phone Number: 619-479-3665

Daly Academy welcomes parent and community involvement in our school. We encourage parents to support their child by actively volunteering for field trips, extra curricular events, and school related activities, such as Field Day and Celebration of Learning Day. Daly Academy maintains good relationships with community agencies regarding the welfare of students and families at the school. The School Site Council (SSC) is comprised of parents, teachers, the principal and other school personnel. The SSC members share information regarding school issues and concerns and ways to improve the overall functioning of the school.

- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Student safety and well-being are promoted by activities including emergency and earthquake preparedness drills, playground supervision, drug and alcohol abuse and health related assemblies. Daly Academy works in conjunction with the police department. There are established procedures in place at Daly Academy to handle disasters such as fire, earthquakes and/or dangerous intruders. Disaster preparedness drills are conducted on a routine basis with staff and students. Visitors sign in or out when entering or leaving the school and only authorized personnel are allowed to pick up students from the school. Daly Academy has participated, for several years, in a district-wide partnership with the Anti-Defamation League and have a series of activities planned around the "No Place for Hate" initiative. The School Site Council approved the School Safety Plan on September 2020.

2020-21 Types of Services Funded

Site control funds are used to purchase all office supplies and related materials and custodial supplies. Title 1 funding and LCAP funds are used to provide extra academic supplies and experiences such as field trips or equipment for our Maker Space Lab. Over the past couple years LCAP has supplied new technology, funding for cool down and therapy garden equipment as well. This year we will be expanding our Maker Space lab to include a "construction sector" (that included real tools and building) and a "bioscience sector" (which will be a greenhouse and include growing plants, etc)

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
