Karl H. Kellogg Elementary School
2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/ For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/ For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

This school year, Kellogg leadership has worked diligently to develop a shared Purpose and Core Values amongst all stakeholders. Our Purpose answers the question: Why do we exist as an organization? Our Core Values answer the question: How does each member of our organization behave? These statements and beliefs were developed in collaboration with all stakeholders from community members, parents, classified staff, certificated staff, and administration. The statements are shared, concise, and every member of our organization holds the responsibility not only to demonstrate on a daily basis but to hold each other accountable as well.

Purpose:

Kellogg exists as the heart of the community to provide a safe and inclusive learning environment, which maximizes student achievement through targeted instruction while nurturing relationships and creating responsible global citizens.

VISION:

We envision Kellogg as a place where high academic achievement, creativity and imagination take center stage through strong parent engagement and teacher leadership. Knowing that children learn in many different ways, Kellogg will be a unique school where differentiation exists for the diverse learning styles, talents, interests, and abilities that our students possess. Our students will achieve success both academically and socially through an integrated arts program, a love of reading both fiction and nonfiction, and a belief that every child can succeed.

Core Values:

1. Students' needs come first.

2. We cultivate positive relationships school wide.

3. We have a commitment to an "I Can" attitude.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Chula Vista Elementary School District follows the State's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

School Facility Conditions and Planned Improvements

Classroom space at Kellogg Elementary School is adequate to support our school's current enrollment. Routine maintenance functions are performed on a scheduled basis. Kellogg's custodial staff performs basic cleaning operations daily. Custodial and office staff ensure safety of school campus and grounds by locking all access gates to the campus during school hours and having all visitors sign in at the front office. Our Public Announcement system is being updated to ensure that communication to staff and students during emergency situations is heard in all areas of the school campus, including the outdoor playground areas.

This year we have made changes in our traffic pattern in front of the school to ensure a safer drop-off and pick-up for students. Volunteer parents assist during morning and afternoon at both the upper and lower parking lots.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Contact person: Principal Brandi Sheppy
Phone number: (619) 420-4151

PARENT ENGAGEMENT OPPORTUNITIES:

Partnerships with our parent community is vital to the success of our students, and parents participate in the School Site Council (SSC), English Language Advisory Committee (ELAC), and Parent/Teacher Association (PTA). Parents are also encouraged to attend monthly Coffee Chats with the principal as an additional opportunity to maintain communication between home and school. We continue to hold all parent engagement meetings/groups virtually due to the surge in the pandemic. Invites to parent meetings are sent out through school communication channels; please contact our school office for any details how to get plugged in!

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Kellogg's Safe School Plan was developed by our Safety Committee and approved by our School Site Council on December 15, 2021. Our comprehensive Safe School Plan includes a component that addresses the Kellogg's School Climate as well as Kellogg's Physical Environment. Key elements in the plan include a crime assessment, code of conduct/school rules, dress code, suspension policies, bully prevention, child abuse reporting procedures, attendance improvement strategies, procedures for safe ingress and egress of pupils, and disaster procedures. This year, our Safety Plan continues to address COVID 19 safety protocols.

2020-21 Types of Services Funded

Programs at supplemental services offered at Kellogg include structured Visual Art and Music classes provided by part-time program support teachers. This enrichment program also allows for teacher collaboration and is funded through LCAP funds. Our EL Aide supports our English Learner population by administering and monitoring critical ELPAC assessment and provides small group support for our English Learners.. This service is provided through LEP categorical funding. Our Computer Technician is on-site to support educational technology programs such as Achieve 3000, Iready, and Accelerated Reader. Additionally, Kellogg funds a School Social Worker that supports with push in class lessons and pull out student counseling support groups. Our School Social Worker is paid by a combination of Title 1 and LCAP funds.

Professional Development

Each year, targeted professional improvement activities are provided for teachers and professional staff based on student performance data and identified student needs.

2018-19
Our professional development will focus on a professional learning cycle that includes input training, professional reading, safe-practice, peer observation and feedback and Looking at Student Work (LASW) protocol. Our instructional focus area is mathematics while our cycle of professional learning theme for the year is teacher and student clarity.

Within our cycle of professional development, we will also receive professional development in the following content areas:
- Math Framework and Standards (District and Site)
- iReady Math Assessment Training (Site)
- Development and implementation of Quality Indicators centered on Learning Intentions, Success Criteria, Teacher Questioning, and Student written and oral production.
- Art and Music Integration (Site)
- Technology to Support Classroom Instruction (Site)
- Training on Social Emotional Learning - Sanford Harmony Curriculum and Youth Mental Health First Aide
- The Instructional Leadership Team (ILT) will continue to support all staff at staff meetings and grade level collaboration meetings.

2019-20
Our professional development will focus on a professional learning cycle that includes input training, professional reading, safe-practice, peer observation and feedback and Looking at Student Work (LASW) protocol. Our instructional focus area is mathematics while our cycle of professional learning theme for the year continues to be centered around teacher and student clarity. Our ILT meets on a quarterly basis to conduct guided walkthroughs of all classrooms, collect instructional data, and project next instructional and professional development steps. Our team has developed a set of Quality Indicators with set expectations for Room Environment, Teacher Actions, and Student Behaviors. In addition, we observe and collect student response data to our three focus questions: What are you learning? What are you thinking on your current problem? Where can you go for support if you don't understand?

Our three PLC's for the 2019-20 school year have been focused around the following:

- PLC 1 - Quarter 1 - Learning Progressions
- PLC 2 - Quarter 2 - Making Thinking Visible through Thinking Routines
- PLC 3 - Quarter 3 - Teacher Questioning: Funneling vs. Focus Questioning

2020-21
Our professional development focus for this unique year full of distance learning has been centered on the transfer of previous successful instructional practices to the online, distance learning format. As instruction has shifted to 100% online delivery for a majority of this school year, our ILT has been meeting twice per month to assess teacher needs, provide adequate instructional/technological support, and develop PD opportunities that help our team move forward. Teachers have opportunities to weekly collaborate with grade level partners and engage in meaningful conversations/planning during Friday teacher meetings. This year we have emphasized the transfer of instructional practices with purpose. We have focused our professional development and feedback around Learning Intentions centered on grade level standards, developing purposeful student tasks based on standards, and providing differentiated opportunities for learning.

2021-2022
With the return to school this year, there have been different challenges that have been presented. During this time, student behavior has been a big concern. Our social worker on campus has been providing support to the staff and teachers on Zones of Regulation. She has presented at staff meetings and also provided support during collaboration. Teachers continue to collaborate bi-weekly where they plan and engage in conversation around instruction in the classroom.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
