2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Description

Lillian J. Rice Elementary School is located in the southwest section of Chula Vista, approximately eight miles north of the United States/Mexico border. It is one of 50 schools in the Chula Vista Elementary School District, including charters. Rice School was built in 1938 and consists of three wings of self-contained classrooms, a media center, a multipurpose room, and administration offices. Rice received an extensive modernization during the summer of 2014. Rice School has a student enrollment of approximately 625 students. There are 33 classrooms, Pre-School through Sixth grade. We have a 50/50 Two Way Dual Language Immersion Program in grades Kinder through 6th grade. There are two Moderate/Severe Special Ed. classrooms in Grades K-6 and two Special Ed Preschool classes. Rice also has two State Preschool classes, as well as a therapeutic preschool (Mi Escuelita) on site in conjunction with South Bay Community Services. Rice is one of three schools in the district that hosts a Family Resource Center on campus to provide social services to the school and the surrounding community. In addition, we house the Rice Clinic which supports the medical needs of our community.

Mission

Rice Elementary, an innovative, nurturing, and diverse community, raises and empowers the leaders of tomorrow on the pillars of academic rigor, personal integrity, and civic responsibility. Our mission is to support these future leaders to love to learn and to respect others through a commitment between students, parents and staff. We value the uniqueness of each child and their individual learning styles. Learning is meaningful and relevant and touches all aspects of the child's life. Our diversity is embraced and enhanced across the curriculum and is linked with the world outside of the classroom. All members of the Rice community recognize and promote the joy and importance of learning as a lifelong process. The community supports an environment which facilitates students who are respectful of themselves and others, innovative problem solvers, self-motivated and confident in their ability to achieve, responsible for themselves and others, and multilingual and multi-literate. Rice School derives strength from an active participation of community including alumni, parents, business, staff, and nearby Chula Vista High School. Everyone is encouraged and taught to be responsible for the success of our students. A variety of seminars are offered to parents/care givers to become more effective. The Rice School community is committed to creating a safe, clean physical environment that is aesthetically inviting and supportive of learning for all students. We plan to create a dynamic learning environment that supports and encourages excellent teaching and educational growth to our staff, students, and their families. The Rice School Community is dedicated to nurturing our students as our most precious resource and our future leaders.

Vision

Our vision is to provide a modern learning environment that allows students and staff to express their knowledge, talents, and skills through meaningful and relevant experiences.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Chula Vista Elementary School District follows the State's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards.. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

School Facility Conditions and Planned Improvements

Classroom space at Rice Elementary School is adequate to support our school's current enrollment. The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. Rice School's custodial staff performs basic cleaning operations daily.

During the summer of 2014, Rice School went through an extensive modernization process through the passing of Proposition E Chula Vista Elementary School Bond. Improvements were made to classroom interiors, flooring and carpeting, rest rooms, electrical wiring, heating and air conditioning units, handicapped access, technology upgrades, a new shade structure for the lunch tables and fire alarm/communications/telephone systems. Additional improvements included new furniture, cabinets, sinks and an enlarged main office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Contact person: Rosa Gonzalez
Phone Number: (619) 420-7071

Research shows a high correlation between parent involvement and effective schools. We encourage and promote parents to visit and become involved in our school. Rice School has an active Parent-Teacher Association. The PTA sponsors many projects for the benefit and welfare of our children and the community.

The School Site Council is comprised of parents, teachers, and school staff responsible for the implementation of our School Plan for Student Achievement.

The English Learner Advisory Committee (ELAC) invites all parents to actively participate in the education of their children by attending monthly meetings focused on the academic needs of English Learners.

We also have additional committees available for our parents to participate. These include our Wellness Committee, STEAM Committee and School Safety Committee.

Please call 619-420-7071 if you would like to get involved in school activities. Spanish translation is available.

2023-24 School Safety Plan

The school safety plan is updated each year with input from parents, staff, and the Chula Vista Police Department. The school safety plan was updated in approved by the School Site Council in the fall of 2023 and the Board of Education approval date for the CSSP is January 17, 2024.. Emergency drills are conducted on a regular basis. These include Fire, Lock-Down, Shelter in Place, Secure Campus and Earthquake Drills. Members of the Response Team receive Emergency Response training to ensure the safety of all staff and students in the case of an emergency or natural disaster.

Fiscal Year 2022-23 Types of Services Funded

To help ensure the quality of education for all students, state and federal funding is provided to Rice School to supplement the core instructional programs provided by the school district. Services at Rice School include:

GATE (Gifted and Talented)
 Title 1 (Professional Development, Intervention Programs, Parent Participation)
 LCAP (Professional Development, Enrichment and Intervention Programs)

South Bay Community Services (New Directions Family Resource Center)

Supplemental services provided through categorical funds include:

Library Technology Technician
 Instructional Assistants, English Learners
 Instructional Coach
 Resource Teacher
 Social Worker
 Impact Teachers

Fiscal Year 2021-22 Teacher and Administrative Salaries

Professional Development

Each year targeted professional improvement activities are provided for teachers, instructional assistants, and other staff members. Activities reflect the school's goals and objectives and are part of our School Plan for Student Achievement. Bi-monthly opportunities exist for teachers to meet together and collaborate in the area of instruction through our Professional Learning Communities (PLCs). In addition, Professional Development opportunities take place during weekly staff meetings. Professional Development topics include:

Based on District Local Measures and CAASPP Results continued coaching and feedback will be provided in the following areas with the support of STORM Coaches, Site Resource Teacher and District Math Resource Teacher. In addition, quarterly progress monitoring will monitor English Learners and Student with Disabilities Target Groups:

- Explicit Direct Instruction
- Instructional Strategies - Student Engagement, Questioning Techniques, Checking for Understanding (STORM Instructional Strategies)
- Data Analysis on Common formative Assessments in math and language arts
- Accountable Talk
- Collaborative Conversations and Discussions
- Designated ELD
- Integrated ELD
- GLAD
- Instructional Routines in math
- Classroom Learning Environment
- Response to Intervention and Differentiation Strategies
- Writing Across the Curriculum with strategies from STORM
- Vocabulary Development (Wilda Storm)
- Eureka Math and GoMath
- 8 Mathematical Practices
- Cognitive Guided Instruction in Mathematics
- ELA and ELD Standards
- Physical Education
- Restorative Practices and Mindfulness Practices
- Parent Participation- School committees; Supporting students at home
