2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Description:

Parkview Elementary School is in the Chula Vista Elementary School District. Built in 1969, the school underwent modernization during the summer of 2002.

Chula Vista Elementary School District is located in the southernmost county of California, approximately five miles from the US/Mexico border. It is the largest kindergarten through grade six district in the state. It serves a rapidly growing community that features a blend of residential areas, recreational facilities, open space and light industry.

Vision and Values

At Parkview, students, parents, staff, and community members are committed to a shared vision of putting students first.

Learning is a life-long process that is meaningful and relevant to global perspectives. We value diversity and promote equity for all. We take great pride in our school and provide a learning environment based on high expectations and clear standards.

At Parkview School, students, staff, parents, and community are respected, valued, and encouraged to give input into the decision-making process. Working together as a team, demonstrating professionalism and personal integrity, we are committed and take responsibility in bringing our vision to life so that all students at Parkview Elementary School will reach their personal and academic goals.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Total Teachers Without Credentials and Misassignments	0.40	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.30
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.30

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Chula Vista Elementary School District follows the State’s curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District’s school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District’s vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

School Facility Conditions and Planned Improvements

Classroom space at Parkview Elementary School is adequate to support our school's current enrollment. The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. Parkview's custodial staff performs basic cleaning operations daily. Parkview has 23 classrooms, 1 staff development room, 1 Speech and Language room, 1 Resource Specialist Room, 1 library, and a multipurpose room. The school enrollment was 388 students.

There is a security system in place through out the building including the portables. The custodian assures that school buildings and classrooms are maintained and attractive. Ongoing inspections of school facilities alert the custodian to potential hazards, vandalism, graffiti or damage that are repaired or removed immediately. The Safe School Plan outlines the process for pupil ingress/egress to assure that all pupils are safe before and after school.

Our noon duty supervision and support staff assure pupil safety during the school day.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Contact Information: (619) 421-5483

Parent Participation:

Research shows a high correlation between parent involvement and effective schools. We encourage parents to become actively involved in our school by inviting parents to volunteer in classrooms, participate in ELAC, GATE, and other after-school programs. We communicate to keep parents informed about assessment, curriculum and instruction and we provide parents with ways in which they can become partners with us in the education of their children. Parkview School's Parent-Teacher Association (PTA) has approximately 150 members. The PTA sponsors enrichment programs and provides materials for the benefit and welfare of our children and the community.

Parents took an active part in school planning by serving as members of the School Site Council. This included overseeing the budget, Safe School Plan and the School Site Plan. In addition, parents at Parkview are provided the opportunity to participate in parent workshop sessions in order to support their children at home with daily routines and behavior support.

Additionally, we have monthly Principal coffee chats where the principal seeks input from parents in the areas of academics, safety, and social-emotional on campus.

2023-24 School Safety Plan

The goal of Parkview Elementary is to meet the academic, social and emotional needs of our students through a collaborative partnership with students, parents, staff and community. Students and staff must be equipped with the necessary training, tools and services in order to assure a safe, secure learning environment. Teachers are provided with and trained on updated procedures and/or policies that affect school safety. Uniform school rules and consistent discipline policies are established and posted throughout the school. Fire and disaster drills are conducted and staff is continually trained and updated regarding their responsibilities in case of an emergency. Adequate playground supervision is provided by classified supervisors and certificated staff. Clear plans and supervision are established for students who ride the bus, walk or are dropped off by parents. Fencing was added to ensure a closed campus during the school day. In the event of an emergency, Parkview has a comprehensive response plan in the Safe School Plan, which was updated and approved by School Site Council on October 12, 2023. The Board of Education approval date for the CSSP is January 17, 2024.

The Parkview staff believes in high expectations for all students, both academically and socially. Most teachers have received CLAD (Cognitive Language Acquisition Development) certification, G.L.A.D training, and have been trained in English Language Development Instruction and use this training to ensure Limited English Proficient students benefit equally from classroom instruction. This year, teachers will continue to expand their use of strategies to differentiate instruction based on data analysis. We will also continue to deconstruct standards and provide rigorous instruction. Instructional practices are monitored throughout the year. It is our belief that, when students feel successful about their education, they tend to make better choices about treating others in a respectful manner. All staff is in-serviced annually on Blood Borne Pathogens and sexual harassment and they receive written information regarding the definition of sexual harassment and procedures to be followed to register a complaint. Additionally, all staff will receive professional development and training on their roles and responsibilities in the event of an emergency or disaster. Additionally, all visitors/volunteers to the school campus sign in at the office using the new Raptor System to ensure student safety and accountability for adults on campus in case of an emergency.
