2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Description

Silver Wing is one of 50 schools in the Chula Vista Elementary School District, including charters. Silver Wing was built in 1968 and was remodeled in 2003. Silver Wing is comprised of one main building composed of administrative offices, cafeteria, library, multipurpose room, and 20 classrooms. 85% of our students are Hispanic/Latino. Approximately one half of our students have a first language other than English and are classified as English Learners. 84% of our students are classified as Socio-economically disadvantaged. Silver Wing is a Provision 2 school, with 100% of our students receiving free or reduced lunch well before this was state-wide for all students.

Mission and Vision

The Silver Wing Elementary School community is committed to creating a challenging and nurturing environment where all stakeholders are valued and respected. We embrace our diversity; it is one of our greatest strengths. Through the cooperative efforts of the Silver Wing community students become high achieving, innovative critical thinkers, who are literate, emotionally secure and socially responsible citizens. We take pride in developing each child's full potential. We are a community of learners. Learning is seen as a lifelong process that is meaningful and relevant to our changing world. The Silver Wing Elementary School community is dedicated to ensuring a love of learning that challenges the status quo and embraces a technological world. The Silver Wing Elementary School community envisions generations of children instilled with the academic skills to be successful not only in their educational careers, but in all facets of their lives.

Our Vision and Values

The Silver Wing Elementary community values the contributions of each stakeholder. Honesty, trust, mutual respect, personal responsibility, individual effort and accountability are values that we believe are the foundation of a safe, pleasant and stimulating learning and working environment. We look forward to the future with hope and confidence.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Chula Vista Elementary School District follows the State’s curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District’s school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards.. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District’s vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

School Facility Conditions and Planned Improvements

Classroom space at Silver Wing Elementary School is adequate to support our school's current enrollment. The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. Our custodial staff performs basic cleaning operations daily. Disinfection is done once per week and in response to active cases of Covid-19 in the classroom. Silver Wing is proud to consistently rank in the upper tiers of school cleanliness and there is consistent follow up in making sure school grounds are always clean, presentable and to ensure our school is one that all students will be proud to assist on a daily basis. Customer service is key and a crucial component in opening our doors to our community. We take pride in making sure all stakeholders are treated with the proper attention, courtesy and respect.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	43	41	54	53	47	46
Mathematics (grades 3-8 and 11)	32	30	41	43	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

At Silver Wing, we agree with research that has proven that the most effective schools in the United States are schools that have a high degree of family/parent and community involvement in their school programs. Volunteer opportunities have reopened after pause during the pandemic. We encourage parents to participate in events such as Coffee with the Principal. Silver Wing Elementary School involves parents in various ways, such as the School Site Council (SSC), and an English Learner Advisory Committee (ELAC), and the Parent Teacher Organization (PTO). Parents are also encouraged to participate and be informed about their child's school and educational well being through communication with their child's teacher, mostly through the use of ClassDojo, a platform used school-wide.

2023-24 School Safety Plan

Student safety and well being are promoted by activities including fire, emergency/disaster, earthquake, and evacuation drills, which are conducted on a monthly basis. Playground safety is promoted by ongoing supervision by the principal, classroom teachers, noon duty assistants, and custodial staff. Parent workshops focusing on parenting skills for effective child-rearing practices, parent-child engagement, and family involvement to promote student safety are provided when requested by parents through the Triple P Parenting Program. Silver Wing has focused on a tiered approach to behavior and academics through Multi Tiered Systems of Support. Silver Wing has established a Positive Behavior Intervention and Support program, where a responsible, respectful, safe and kind environment is fostered and encouraged throughout our school in all areas of the campus. Data is collected and analyzed through SWIS on when and where behaviors are occurring that need to be addressed.

The School Site Council approved the School Safety Plan in the fall of 2023. Board of Education approval date is January 17, 2024.

Professional Development

Silver Wing staff has participated in various professional development opportunities to ensure teachers are best prepared to meet the needs of all our students. Silver Wing staff have attended professional development aimed at moving rigorously towards our instructional focus in collaborative conversations and discussions. Teachers will continue using Achieve 3000, Renaissance Learning, Smarty Ants and Freckle Math. Professional Development is delivered by the District staff and principal during staff meetings. The principal monitors data in school programs. This year our school has engaged in two Cycles of Professional Learning centered around collaborative conversations and discussions in both ELA and Math.
