ARTICLE 4. ORGANIZATIONAL SECURITY

4.1 Association Rights

- 4.1.1 The Association shall have the right to reasonable use of buildings and facilities.

- 4.1.2 The Association shall have the reasonable use of the District internal school mail system and email system to distribute materials which emanate from the Association office for communication to its unit members provided that such materials include the name of the Association and date. Distribution of District materials shall have priority over distribution of organizational materials and shall be subject to the workload of the District mail delivery service. The Association is responsible for the content of all information sent in the District mail, and ten (10) copies of the materials to be placed in employee mailboxes shall be provided to the Superintendent or designee. This last requirement of ten (10) copies shall not apply to individual correspondence intended for ten (10) or less employees in the District and/or which is intended for final distribution to ten (10) or less employees in the District. The District will maintain a mailbox from which the Association may pick up mail.
- 4.1.3 The District shall include the Association office on its Monday/Thursday mail run for pickup and delivery as long as the Association office is located within the boundaries of the Chula Vista Elementary School District.
- 4.1.4 The Association shall have the right to post notices of activities and matters of Association concern on a reasonable section of a designated bulletin board, at least one of which shall be provided in each school building in areas frequented by employees. The Association shall be responsible for the content of all its information posted on school bulletin boards.
- 4.1.5 Authorized Association representatives conducting Association business shall, upon arriving at a school site, report initially to the office of the principal to announce their presence and purpose. Normally such visits shall be scheduled only during the employee's duty-free lunch period or non-duty hours. The Association representative may request a visit with an employee during duty hours provided the visit does not interfere with assigned duties and the efficient operation of the school. Such visitation may be terminated by the principal if the employee's services are needed in case of emergency.
- 4.1.6 The Association shall have the right to distribute Association meeting agendas for Association meetings which are to follow a building site meeting. The time of distribution shall be prior to the start of the building site meeting and the burden and responsibility for the execution of this provision shall remain entirely with the Association. Association meetings can be held immediately

following any school faculty meeting and at all other times during the duty day provided the instructional day has been completed and/or said meeting does not interfere with the operations of the school.

4.1.7 Names, addresses, telephone numbers and school email addresses of all District employees shall be provided to the extent that such information is public knowledge and not confidential, to the Association upon written request to the Human Resources Office prior to the tenth (10th) teacher duty day of each school year. An updated listing, not more than once each month shall be provided upon written request for each updated list.

4.1.8 The Association shall have reasonable opportunity to prepare and present a position in the event of any proposed policy change or new policy.

4.2 **Release Time for Association Business.** The Association shall have the right to receive released time without loss of compensation or cost to the Association not to exceed twenty (20) days during a period of one (1) school year, for conducting business that is between the District and the Association.

4.2.1 **Length of Released Time.** Released time must be taken in increments of no less than one-half (1/2) day per specified individual employee released.

4.2.2 **Designation of Released Persons.** The Association may specify the number of days and specific individual employees to be released within the number of days authorized.

4.3 **Release Time – Association President**

4.3.1 The District shall employ a full-time temporary contract teacher to fill the vacancy created by the full-time release President.

4.3.2 The Chula Vista Educators shall cover the cost of a temporary teacher. The cost of the temporary teacher for the full-time release President shall be Step 5 Class III of the Teacher's Salary Schedule.

4.4 **Professional Dues Deduction**

4.4.1 The right of payroll deduction for payment of organizational dues shall be accorded to the Association. Association members who currently have authorization cards on file need not be re-solicited.

Association dues, initiation fees, and general assessments, upon formal written request from the Association to the District, shall be increased or decreased without re-solicitation and authorization from Association members under the terms set forth above and provisions of the Education Code Section 45060 and Government Code Section 3540.1 (1) (2).

- 4.4.2 The District shall honor the terms of CVE/CTA/NEA written authorization for payroll deduction. These authorizations shall be maintained by the CVE/CTA/NEA. The District shall process payroll dues deductions for all employees whom the union reports as having written authorizations. The Association may provide the employer with copies of the employees' authorization agreements, but is not required to do so unless there is a dispute about the existence or terms of the agreements. Pursuant to such authorization, the District shall deduct one-tenth (1/10) of such dues, fees, and/or assessments from the regular salary check of the employees each month for ten (10) months. Deductions for employees who sign such authorization after the commencement of the school year shall be appropriately prorated to complete payments by the end of the school year. Payment of membership dues in one lump sum payment shall be made by October 10 of each school year or within forty-five (45) days of employment if employed during the school year.
- 4.4.3 The District agrees to promptly remit such monies to the Association along with an alphabetical list of Association members for whom such deductions have been made and any changes that may have occurred since the previous list.
- 4.4.4 Upon appropriate written authorization from an employee, the Board shall deduct from the salary of such employee and make appropriate remittance for annuities, credit union, savings bonds, charitable donations, or any other plans or programs jointly approved by the Association and the Board.
- 4.4.5 Employees may have contributions to the CVE-PEC voluntarily deducted from their pay warrants upon delivery to the District of an appropriate payroll authorization form. Such contributions may be terminated at any time upon delivery to the District of an appropriate form.
- 4.4.6 The Association shall indemnify and hold the District harmless from any claims, demands, or lawsuits arising out of or from the maintenance of membership provisions contained in this Agreement.

4.5 Transmittal of Dues

4.5.1 With respect to all sums deducted by the District pursuant to sections 4.4 for membership dues the District agrees to promptly remit such monies to the Association accompanied by an alphabetical list of employees for whom such deductions have been made and indicating any changes in personnel from the list previously furnished. There shall be no charge to the Association or employee for processing of dues deductions.

4.5.2 The Association agrees to furnish any information needed by the District to fulfill the provisions of section 4.4.

4.6 New Employee Orientations

The District shall hold a minimum of two (2) yearly new employee orientations. The initial orientation shall be offered no later than the last week of August. Following a District introduction, CVE/CTA/NEA will be given the opportunity to make a presentation (including use of audio and video equipment if necessary) for thirty (30) to forty-five (45) minutes. CVE/CTA/NEA reserves the right to exclude management from its portion of the orientation session. A second orientation shall be held no later than the last week of January. The District and CVE will collaborate to determine the dates of the new employee orientation sessions each year. The orientation sessions shall take place on mutually agreed upon minimum days and times. Principals shall make every effort to provide coverage so that all new employees can attend. Employees who are unable to attend the first orientation, shall be eligible to attend the next orientation. The orientation shall not exceed the regular work day. Additionally, newly hired CVE/CTA/NEA bargaining unit members will be given CVE information in their employment packet. This provision is entered into pursuant to AB 119 and is comprehensive of CVE's right to access new employee orientations.

ARTICLE 5. DISTRICT RIGHTS

5.1 It is understood and agreed that the District retains all of its duties, powers, rights and authority to direct, manage and control to the full extent of the law such as determining its organization; directing the work of its employees, determining the time and hours of operation; determining those kinds and levels of services to be provided and the methods and means of providing them; establishing its educational policies, goals and objectives; ensuring the rights and educational opportunities of students; determining staffing patterns; determining the number and kinds of personnel required; maintaining the efficiency of District operations; determining methods of raising revenue; and taking action on any matter in the event of an

emergency. In addition, the District retains the right to hire, classify, assign, promote, lay off, terminate and discipline employees, except as otherwise provided in this Agreement or by law. The parties recognize that the Association may seek to negotiate the impacts and effects of employee layoffs or the impacts and effects concerning other matters outside the scope of representation, but the Association agrees that the District may act to implement its decisions on these matters when reasonably necessary during any meeting and negotiating pending any final conclusion in negotiations.

- 5.2 The exercise of the foregoing powers, rights, authority, duties and responsibilities of the District adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the terms of this Agreement, and then only to the extent such terms are in conformance with law, and shall not be subject to the grievance procedure of this Agreement unless limited by the terms of this Agreement.
- 5.3 It is not the intention of the parties to allow the District to violate sections of the Education Code nor to treat this provision as an agreement reached under section 3543.2(b) and (c) of the Government Code in effect on January 1, 1982.
- 5.4 **Emergency Defined.** For purpose of understanding the term "Emergency" as used in District Rights, the parties agree that it shall be defined as an act of God, riot, flood, fire, civil disorder, national emergency and/or similar acts.
- 5.5 The District shall have the right to contract out unit work only for other than regular employment where service cannot be performed by a current employee or is precluded by availability, lack of expertise, or where the position is not regularly budgeted but is funded under a grant or restricted funds.

ARTICLE 6. CONSULTATION

- 6.1 The exclusive representative of certificated personnel has the right to consult on the definition of educational objectives, the determination of the content of courses and curriculum, and the selection of textbooks to the extent such matters are within the discretion of the public school employer under the law. The right to consult on "educational objectives" includes changes that directly affect education in the classroom which would benefit from teacher input/consultation including, but not limited to, curriculum selection, assessments, report cards, professional development, and technology in the classroom. Nothing in this provision shall be construed to limit the right of the District to consult with any employee organization or anyone else on any matter outside the scope of representation.

6.2 Procedures for Consultation Rights

- 6.2.1 The purpose of consultation meetings herein described is to provide the Association with a mechanism to consult on areas of interest specified in this article. It is not intended to diminish the Association's right to consult as specified in Government Code section 3543.2.
- 6.2.2 The Consultation Committee, with employee members selected by the Association and District members appointed by the District, shall meet as needed for consultation on matters set forth in this Article. Additional members may be invited by each party to provide expertise on particular subjects scheduled for consultation. It is understood, however, that the District may not unilaterally bring other members of the Association's bargaining unit to consultation.
- 6.2.3 Nothing in this Article is intended to modify the District's right to conduct its normal business and activities in all areas of the curriculum as necessary to fulfill its goals. Up to four Consultation Committee members selected by the Association shall be provided one-half day released time to attend the standing monthly Consultation Committee meeting up to a maximum of ten (10) meetings per year. Additional Consultation Committee meetings shall be scheduled during the District business day.
- 6.2.4 The Consultation Committee may choose to establish subcommittees to deal with issues where appropriate District committees do not exist. Employee vacancies for consultation subcommittees shall be selected by the Association. The Association shall exclusively select or agree to a selection process of any bargaining unit members to participate in District committees related to consultation as defined in Article 6.1. However, the Special Education Task Force, covered in Article 47, shall have selection procedures set forth in Article 47.

It is the desire of both the Association and the District to elicit accurate input of teachers' opinions through the consultation process. In that spirit, it is further agreed that when the District seeks consultation from all members of the bargaining unit or all relevant members to a particular issue (e.g., all RSP teachers with respect to an RSP issue), either by way of a survey or invitation to a meeting in which all members have an equal opportunity in which to participate (e.g., LCAP stakeholder input meetings), the Association will find this to be a legitimate representative body and not seek to restrict the consultation to a

smaller group. However, the Association would still maintain the right of consultation with respect to how this body should be consulted (e.g., the framing of the survey questions, or the number, location, and time of the meetings.)

- 6.2.5 The Association president or designee may attend any meetings of the Consultation Committee or consultation subcommittees (and other District Committees on which employees serve) which were established to discuss issues specified in this Article. The Association President shall be provided with advance notification of these meetings, as well as any Districtwide surveys or Districtwide data collection solicited from unit members concerning the subjects of consultation.
- 6.2.6 Every effort shall be made to provide the Association with reasonable information regarding subjects under consultation.
- 6.2.7 An Association statement can, upon request by the Association, be attached by the District to the material which is sent to the Board of Education regarding the agenda item which has been, is, or may be under consideration.
- 6.2.8 Professional Development will be a subject of consultation as it relates to educational objectives, curriculum and course content and use of adopted texts and materials including assessments. The association retains all rights to negotiate Professional Development as granted in the EERA under scope.
 - a. Teachers will be provided access and training on new technology to serve their students' needs.

ARTICLE 7. GRIEVANCE PROCEDURE

7.1 Definitions

- 7.1.1 A **“grievance”** is a written claim that there has been a violation, misinterpretation, or misapplication of the Agreement which adversely affects the grievant.
- 7.1.2 A **“grievant”** is an employee or the Association making the claim.
- 7.1.3 **“Duty Day”** is a day when schools in the District are in session, excluding Saturdays, Sundays, and Summer Session.

7.1.4 **“Party in Interest”** is a person or the persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

7.2 Purpose

7.2.1 The purpose of this grievance procedure is to secure, at the administrative level closest to the grievant, solutions to problems which may arise from time to time. The parties agree that confidentiality at any level should be maintained.

7.2.2 Since it is important that grievances be processed as rapidly as possible, the time limits specified at each level should be considered to be maximums and every effort should be made to expedite the process. The time limits may, however, be extended by mutual agreement.

7.2.3 In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein may be reduced by mutual agreement, so that the procedure may be completed prior to the end of the school year, or as soon as is practicable, in order to assure the rights of the grievant.

7.3 Procedure

7.3.1 **Informal Level.** The grievant will first discuss the grievance with the appropriate principal or immediate supervisor with the object of resolving the matter informally. The parties agree that even though a grievance claim is not written at this "Informal Level," it shall nonetheless be considered a grievance if it conforms to the other requirements in 7.1.1.

7.3.2 **Level I – School Principal/Immediate Supervisor.** If the grievance is not settled during the informal step and the grievant wishes to formally grieve the matter, he or she shall present the grievance in writing on the appropriate form (Appendix A) to the principal or supervisor. A grievance shall be filed as soon as possible; however, it must be filed within thirty-five (35) duty days after the act or omission being grieved occurred. The written grievance shall contain the following information:

- a. A concise description of the grievance including necessary names, dates, and places.

- b. A listing of the provision(s) of this Agreement which are alleged to have been violated, misapplied, or misinterpreted.
- c. A statement of the principal's or supervisor's decision.
- d. A listing of specific remedy sought.

7.3.3 Within six (6) duty days following receipt of the grievance, the principal or supervisor shall meet with the grievant and an Association representative, if requested by the grievant or the Association. The principal or supervisor shall, within six (6) duty days after meeting with the grievant, render a written decision and the reasons therefore, in writing, to the grievant and the Association.

7.3.4 **Level II – Superintendent's Designee**

- a. If the grievant is not satisfied with the disposition of the grievance at Level I, the grievant may forward the written grievance to the Superintendent's designee and the Association within ten (10) duty days after the decision at Level I.
- b. Within six (6) duty days after receipt of the written grievance by the Superintendent's designee, he or she shall meet with the grievant and the Association representative in an effort to resolve the grievance. The designee may have a representative at such meeting. The written grievance shall contain the same information as provided in Level I with the addition of a copy of the decision rendered at Level I.
- c. The Superintendent's designee shall, within six (6) duty days after meeting the grievant, render a written decision and the reasons therefore, in writing, to the grievant and the Association.
- d. The Association may initiate a grievance at Level II if the grievance affects unit members assigned more than one (1) site.

7.3.5 Nothing in these procedures shall be construed as prohibiting the mediation of a grievance which is filed at Level III, if mediation and the mediator are mutually agreed to by and between the District and the Association.

- 7.3.6 **Level III – Arbitration.** If the Association decides to appeal the grievance to arbitration, the Association shall file a written notification to the Superintendent within thirty-five (35) duty days following receipt of the Level II decision of the Superintendent’s designee or at the end of the mediation process. The parties may attempt to select a mutually acceptable arbitrator; however, should the parties be unable to agree on an arbitrator within ten (10) duty days of the Association’s appeal to arbitration, submission of the grievance shall be made by the Association to the American Arbitration Association or the State Mediation and Conciliation Service.
- 7.3.7 In any event, the parties will be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator, and the arbitrator shall proceed under the Voluntary Labor Arbitration Rules of said Association. If any question arises as to the arbitrability of the grievance, such question will be ruled upon by the arbitrator only after he or she has had the opportunity to hear the merits of the grievance; however, no party in interest shall be permitted to assert any evidence before the arbitrator which was not previously disclosed to the other party. The arbitrator shall consider only those issues raised by the parties in interest. No decision rendered by the arbitrator shall be retroactive beyond the beginning of the last payroll period prior to the thirty-five (35) day period for filing a written grievance specified in Level I of this grievance procedure. The arbitrator shall have no power to render an award in any grievance arising before the effective date or after the expiration date of this Agreement.
- 7.3.8 The arbitrator’s decision will be in writing and will set forth to all parties his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is in violation of the terms of this Agreement. The arbitrator will have no power to add to, subtract from, or modify the terms of this Agreement, or the written policies, rules, regulations, and procedures of the District. The decision of the arbitrator shall be binding.
- 7.3.9 All costs for the services of the arbitrator, including but not limited to, per diem expenses, travel and subsistence expenses, will be borne equally by the Board and the Association. Odd numbered arbitration grievance hearings shall be held at the District office. Even numbered arbitration hearings shall be held at the Association office. The hearing room requirements may be

waived by mutual agreement of the parties. All other costs will be borne by the party incurring them. It is agreed that an arbitrator, whenever possible, shall be selected from the Southern California area.

7.4 Rights of Employees to Representation

If an employee is not represented by the Association or its representative, the Association shall have the opportunity to be present and to state its views at all stages of the grievance procedure.

7.5 Miscellaneous

7.5.1 If a grievance arises from action or inaction on the part of a member of the administration at a level above the principal or immediate supervisor, the grievant may submit such grievance in writing to the Superintendent's designee and the Association directly, and the processing of such grievance will be commenced at Level II.

7.5.2 Any grievance not appealed to the next step of the procedure within the prescribed time limits shall be considered settled on the basis of the decision given in the preceding level.

7.5.3 The District may have other management representatives present at any level of the grievance procedure.

7.5.4 Forms for filing grievances shall be prepared jointly by the District and the Association. The costs of preparing such forms shall be borne by the District.

- 8.12 Each school site is given the discretion to set or modify a school schedule. The principal and the certificated staff will first discuss the situation at a staff meeting allowing for teacher input and agreement upon a mechanism for decision-making. The concept of site-based determination of hours and composition of the workday is flexible enough to allow for either the entire staff and the principal or a joint committee of staff and the principal to set or modify a schedule.
- 8.13 **Conferences**
- 8.13.1 The Friday prior to conferences will be used for conference preparation/report cards. 8.15 Upper Grade Support and Dual Immersion Support

8.15.1 At each school site, a committee which includes a CVE representative along with other impacted staff members shall generate a plan to address upper grade and Dual Immersion working conditions related to class size and inherent individual workload. This is to be used for individual classroom preparation time to address class size and inherent individual workload.

8.16 Teacher Collaboration

8.16.1 Teacher collaboration time will be provided at each school site, including preschool, Transitional Kindergarten, and K-6 general education, and special education teachers.

8.16.1.a VAPA teachers will receive collaboration. This may include, but not be limited to, the first week of school, a release from staff meeting(s) and/or minimum days during conferences. VAPA teachers may collaborate with other teachers in similar assignments across the district and/or the site VAPA teachers.

8.16.2 Collaboration time will be divided as follows: 1/3 of the time can be utilized by principals and 2/3 of the time will be teacher directed.

8.16.2.a The 1/3 time should not directly impact the 2/3 teacher directed time.

8.16.2.b If principals do not use their 1/3 time, they cannot make up such time during subsequent collaboration sessions, unless agreed upon by grade level team. If teachers do not use their 2/3 time, they cannot make up such time during subsequent collaboration sessions, unless agreed upon by administration and grade level team.

8.18 Transitional Kindergarten

When designing TK instructional schedules there will be a minimum of 54,000 instructional minutes. As a safety precaution. TK dismissal shall be at least 15 minutes prior to dismissal of the rest of the school. It will be the school site responsibility to ensure that the students are supervised. The District will provide appropriate curriculum; TK teachers will use their professional discretion in designing and implementing instructional activities and daily routines, with the exception of lunch and recess which will be determined in accordance with 8.12, Hours. Model instructional schedules are provided in Appendix G as a reference.

8.18.1 Transitional Kindergarten classes will follow a modified full-day schedule. The on-site work hours for TK teachers is outlined in Article 8, Hours. Article 8.11 shall extend to include Transitional Kindergarten.

8.18.2 Transitional Kindergarten teachers are entitled to prep time and collaboration time equivalent to other grade levels at the site.

8.18.3 Certificated unit members will not be responsible for the toileting or diapering needs of students.

8.18.4 The District will provide appropriate coverage to complete comprehensive one-to-one assessments to TK teachers each quarter.

8.19.2 Teachers at individual school sites will have an opportunity to provide input prior to the implementation of school-wide programs.

CVE and the District agree that workload expectations should be reasonable. In the event that CVE believes that members have been subject to unreasonable expectations regarding hours by an administrator, CVE should bring that information to the attention of the Assistant Superintendent of Human Resources. The Assistant Superintendent will

investigate the claim and have the authority to settle the matter. If CVE is dissatisfied with the decision, it shall have the right to submit an appeal to the Superintendent who shall also have authority to settle the matter. If CVE is dissatisfied with the decision, it shall have the right to submit an appeal to the Board which could include a conference with the Board in closed session. The Board shall have the authority to hire an outside entity to investigate CVE's claim and issue an advisory to the Board, which the Board may use in making their final decision. The Board's decision shall be final.

8.20 Unit members teaching in a middle school assignment serving in classroom teacher assignments shall have no more than six (6) class periods assigned with students and the seventh period shall be a preparation period. Each period shall be approximately fifty (50) minutes in length. If the implementation of an innovative schedule results in a different configuration, such as a block schedule, the unit member shall be guaranteed the equivalent of five (5) preparation periods per week.

8.20.1 Typically no unit member teaching in a middle school assignment shall be required to teach more than three (3) courses in a semester. However, in the event teaching a fourth course is necessary, the affected unit member shall receive an additional one hour of prep time per week. Administration must demonstrate the necessity of teaching a fourth course due to staffing and/or scheduling constraints.

8.21 The Arroyo Vista Athletic Director shall be entitled to a stipend of \$600.00 per year for coaching and related duties.

ARTICLE 10. CLASS SIZE

10.1 **District Average.** The District shall maintain a District-wide average class at less than thirty (30) pupils. The Districtwide class size is determined by dividing the total District regular K-6 enrollment by the number of teacher equivalencies assigned to all schools in the District.

10.2 **Building Average.** Building Class Size is determined by dividing the total regular K-6 enrollment at the school by the number of teacher equivalencies assigned to the school. When an individual building class size average deviates from the budgeted class size by two (2) or more pupils, enrollment adjustment procedures may include, but need not be limited to additional positions; authorizing reduction in force transfers; and transferring pupils between schools.

10.3 Individual Class Size

10.3.1 The Association and the District agree that there is a maximum class size of thirty-one (31) pupils per class.

10.3.2 The Chula Vista Educators and the Chula Vista Elementary School District agree to allow the placement of a thirty-second (32nd) child in an individual classroom for up to three (3) days in order for adjustment procedures to be processed.

These procedures may include reorganizing one or more classes, transferring pupils between schools, etc.

10.3.3 Each individual classroom shall not receive a thirty-second (32nd) child as per 10.3.2 more than once each semester (half-year).

10.3.4 Transitional Kindergarten classes will be staffed at 24:1 (students to teacher) and 12:1 (child to adult) ratio. (Ed. Code 48000) In the event enrollment in TK necessitates a combination class, the grade level span will be limited to TK-Kindergarten and will be staffed by an appropriately credentialed teacher; this is inclusive of special education classroom settings. The District will ensure necessary staffing to maintain ratio compliance.

SPED TK students may be mainstreamed into the classroom, but class size will not exceed twenty-seven (27) pupils. When the Gen Ed TK exceeds 25 TK students, for example when a SPED TK student is mainstreamed into a particular classroom at a particular time, the District will provide an additional adult for the duration of the mainstreaming.

10.4 The District may deviate from the above maximum individual class size for the first two (2) weeks of any school year.

10.5 The District will comply with legal requirements for staffing special education programs.

10.6 Resource Specialist teacher class load shall conform to the requirements of the California Master Plan for Special Education. The plan currently specifies an average of twenty-four (24) pupils and a maximum of twenty-eight (28) pupils. Students on a thirty-day (30) placement with a current IEP will count as part of the Resource Specialist teachers' class load.

10.7 Moderate/Severe Special Day Class (SDC): The District will maintain a grade level span of no more than 3 grade levels, with the exception of the ASPIRE Academy. When a classroom goes above 12 students the District will place one additional full time employee (FTE) classroom aide. Until the FTE position is filled, any teacher that goes over these ratios will receive \$35.00/day. If a substitute is in place for the FTE the teacher will not be compensated for that day.

10.8 Mild/Moderate Special Day Class (SDC): The District will maintain a grade level span of no more than 3 grade levels, with the exception of the ASPIRE Academy. When a classroom goes above 15 students the District will place one additional full time employee (FTE) classroom aide. Until the FTE

position is filled, any teacher that goes over these ratios will receive \$35.00/day. If a substitute is in place for the FTE the teacher will not be compensated for that day.

10.9 The District will maintain a maximum caseload for Speech Language Pathologists (SLP), at fifty-five (55) students with IEPs. When caseloads go above this number a Speech and Language Instructional Aide will be provided in a reasonable amount of time.

10.10 **Upper Grade Support and Dual Immersion Support.** At each school site, a committee which includes a CVE representative along with other impacted staff members shall generate a plan to address upper grade and Dual Immersion working condition issues related to class size and inherent workload. This is to be used for individual classroom preparation time to address class size and inherent individual workload.

10.11 **Preschool SDC Language**

10.11.1 The District will maintain a maximum class size for SDC Preschool Education Specialists with a ratio of eight students to one adult (8:1, students to adults).

ARTICLE 11. SUMMER SCHOOL/INTERSESSION/EXTENDED SCHOOL YEAR/EXTENDED DAY

11.1 Employees who also teach in summer school/intersession/extended school year shall be considered unit members if under contract the preceding or current school year.

11.2 Articles 16, 20, 21, 25, 33, and 45 shall not apply to employees employed in the summer school/intersession/extended school year program. Article 52 shall apply only to employees who are classified as temporary, probationary or permanent in the immediately preceding regular school year.

11.3 The salary schedule shall be included in Appendix F of this Agreement.

11.4 Summer school/intersession/extended school year employees shall be selected in accordance with the following process:

11.4.1 There shall be an initial posting of positions prior to the applicable session with no requirement to repost for any vacancy, which may arise during the session. Such posting shall have a closing date that is no sooner than ten (10) working days subsequent to the date of the posting.

- 11.4.2 A unit member desiring to fill a summer school position shall submit a completed application per the summer school posting to the Department of Human Resources by the date specified on the posting.
- 11.4.3 Subsequent to the closing date specified in the posting, representatives of the Association and the District shall jointly conduct a random lottery from the names submitted in response to the posting. This lottery shall determine the order by which the unit member is assigned to a vacancy. This is based on the site/grade level preference indicated by the teacher on the completed application. The applicant must meet all requirements as outlined in the posting.
- 11.4.4 The parties understand and agree the District may select non-unit personnel to fill any remaining summer school and S.O.S. positions which exist following the application of 11.4.2 and 11.4.3.
- 11.5 Unit members currently assigned to the site at which an intersession or extended school year program is to operate, shall be given first consideration for filling positions. Unit members at the respective school site shall be informed of the scheduled program and have a reasonable opportunity to express interest in filling the position to the site principal in writing. Such positions shall be posted district-wide in circumstances when insufficient numbers of unit members are available at the school site to meet staffing needs. The selection process for these site-based programs shall be determined by the individual school site committee responsible for development of the program, whether the selection is among members at the site or recruited from Districtwide postings.
- 11.6 Sick leave may be used but shall not accrue during summer school/intersession/extended school year employment.
- 11.7 The employment of summer school/intersession/extended school year employees shall be based on projected enrollment. Employees can be released if the enrollment does not warrant the number of teachers employed. The site administrator will determine the students' needs in identifying the release of any employee contracted to work summer school/intersession/extended school year. When selecting or releasing employees, the site administrator will consider employee qualifications, including credentials, specialized credentials, specialized training, specialized experience, and length of service. In the event two or more employees have equal qualifications, the employee with greater length of service shall be selected or retained. In addition, employees to be released shall be paid for the day(s) worked plus one day.

- 11.8 The District may enroll up to thirty-five (35) students in a summer school/intersession/extended school year class provided, however, that the District will take immediate steps to insure that no more than thirty-one (31) students are in attendance in any class.
- 11.9 Site based supplemental instruction programs shall be paid no less than ninety percent (90%) of Step 1, Class 1 as set out on the Summer School and Extended Year Teachers' Salary Schedule. Current rates for supplemental instruction programs higher than the above rate shall not be reduced.
- 11.10 Extended Day programs are included in this article as supplemental instruction programs. As such, the provisions for selection of teachers will follow Article 11.5.

The unused portion of sick leave days shall accumulate from year to year. A part-time employee on a regular basis shall be entitled to a prorated amount of such sick leave.
- 15.2 During each school year, when a unit member has exhausted all available sick leave, including all accumulated sick leave, and continues to be absent from his or her duties as a result of illness or accident to the unit member or his or her family member for an additional period of five school months or less, he or she shall receive 50 percent of his or her regular salary during the period of such absence. The sick leave, including accumulated sick leave and the five-month period, shall run consecutively. For purposes of Article 15.2, family member shall be defined as the employee's parent, child, spouse, and registered or unregistered domestic partner.

example, a bargaining unit member whose sick leave, including accumulated sick leave, expired on February 5, would continue to receive 50 percent sick leave pay until, and including, August 5 (five full school months not counting June). For bargaining unit members serving at schools on modernization calendars, June and July shall not be considered part of that five-month calculation, but the remaining ten months will be part of that calculation.

After the exhaustion of accumulated and current year sick leave, a unit member if eligible may be entitled to catastrophic leave which if granted shall be coordinated with the five school month leave to allow for no more than full pay. The actual amount a unit member receives may also include the group salary protection as set out in 51.4 of this agreement which provides for 75% pay for a period of one year from the date 100% pay stops.

A unit member is entitled to only one five school month period for an illness or accident, but may use the entire five school month period, even if it bridges fiscal years.

After the exhaustion of all available leaves, provided that the unit member is still medically unable to return, the unit member will be placed on a 24-month reemployment list if probationary or a 39-month reemployment list if permanent.

- 15.3 An employee reporting illness as the reason for absence may be notified that a doctor's certificate may be required for any future absences where the District suspects there is an abuse of this provision.
- 15.4 Any employee may access and review their unused earned full-salary sick leave and personal necessity leave through an online database. An employee may also request a written report of the information described in this paragraph.
- 15.5 Any employee who is employed for a full school year and maintains perfect attendance without use of any sick leave of absence as specified in this Agreement shall earn and receive one (1) additional sick leave day following the last day in each school year in which eligibility is established.

- 15.6 The District shall require that the employee provide written verification by a physician of either the employee's inability to return to work duties or the employee's family member's incapacity and need for care if the employee has been on sick leave for ten (10) or more consecutive days. The District

shall require different written verification for an employee who has objections to the use of medical doctors.

- 15.7 So long as a unit member is receiving some form of District paid leave, including catastrophic leave, regardless of the percentage level of pay, the unit member shall continue to receive the monthly maximum contribution of health care as specified in Article 51.1.1. Reassignment for such employees will be granted when a written application is submitted and is accompanied by evidence of full health recovery; a vacancy exists within such employee's certification; or the employee has the ability to meet current employment standards.
- 16.2 If an employee who was classified as a permanent employee is reassigned within a thirty-nine (39) month period after his or her last day of paid service, the District shall restore all rights, benefits and responsibilities of a permanent employee as provided by law.

ARTICLE 38. EMPLOYEE DISCIPLINE

This article was entered into pursuant to Section 3543.23(b) of the Government Code. This Article does not include the termination of any permanent employee or temporary employee, and does not include the implementation of Sections 44939, 44940, 44941 and 44942 of the Education Code and any amendments to those sections or successor laws to those sections.

- 38.1 An employee in the bargaining unit may be disciplined by the District only for just cause. The District shall utilize progressive discipline except in cases

where a more severe form of discipline is warranted. The term "discipline" shall mean, except for 38.8, a verbal warning, a written warning, a written reprimand, a notice of unprofessional conduct, suspension without pay for up to and including fifteen days and loss of extra compensation. A verbal and/or written reprimand will normally precede a suspension without pay. A suspension without pay is intended to provide for an intermediate form of discipline. The term "discipline" specifically does not include adverse or negative evaluations, directives and the implementation of other Articles in the Agreement such as the denial of any leave.

Verbal Warning: A verbal warning may result in a written conference summary. The employee has the right to provide a written response to be attached to the conference summary within ten (10) duty days of receipt. This conference summary will not be included in the employee's personnel file unless it is used to substantiate further disciplinary action.

Written Warning: A written warning may be issued when the verbal warning fails to result in the meeting of the stated expectations/directives. The employee has the right to provide a written response to be attached to the written warning within ten (10) days of receipt.

Written Reprimand: Unless conduct warrants a reprimand in the first instance, a written reprimand shall not be used unless the employee has been verbally warned about similar actions. The employee has the right to provide a written response to be attached to the written reprimand within ten (10) duty days of receipt.

- 38.2 Prior to the taking of suspension without pay, the Superintendent or designee shall give written notice to the employee. This written notice of proposed action shall be served by mail or personal delivery to the employee at least ten (10) calendar days prior to the date when suspension without pay may be imposed. In cases where it is deemed appropriate by the Superintendent or designee to remove the employee immediately, the employee shall not lose compensation prior to the date when the suspension without pay may commence. Loss of compensation in all cases may occur after the tenth (10th) calendar day following the date written notice was served. Upon written request from the employee within ten (10) calendar days of the service of the written notice herein, the Superintendent or designee shall not implement the suspension without pay until the final decision is rendered in the Grievance Procedure or by a hearing officer except in cases of serious misconduct, or the employee is scheduled to terminate employment prior to the final decision.
- 38.3 The written notice of proposed suspension without pay shall be served by personal delivery or by certified mail. Service by mail shall be deemed

completed on the date of mailing. The contents of the written notice shall include at least the following:

- 38.3.1 A statement identifying the District.
- 38.3.2 A statement in ordinary and concise language of the specific acts and omissions upon which the proposed suspension without pay is based.
- 38.3.3 The specific suspension without pay proposed and effective date(s).
- 38.3.4 The cause(s) or reason(s) for the specific suspension without pay proposed.
- 38.3.5 A copy of the applicable regulation(s) where it is claimed a violation of the regulation(s) took place.
- 38.3.6 A statement that the employee has the right to respond to the matters raised in the written notice both orally and in writing, including the submission of affidavits, prior to the end of the ten (10) calendar days following the date the written notice was served.
- 38.3.7 A statement that the employee, upon request, is entitled to appear personally before the Superintendent of Schools or his or her designee regarding the matters raised in the written notice prior to the end of the ten (10) calendar days following the date the written notice was served. At such meeting, the employee shall be granted a reasonable opportunity to make any representations the employee believes are relevant to the case.
- 38.3.8 A statement that the employee shall have a right to be represented by counsel or other representation upon request and a statement that the Association has not been sent a copy of the notice.
- 38.3.9 A statement that the employee, upon written request, is entitled to a full evidentiary hearing before a hearing office before the suspension without pay is final. The statement shall indicate that the proposed suspension without pay may commence after the ten (10) calendar days following the date the written notice was served unless the employee makes a written demand within ten (10) calendar days following the date the written notice was served indicating that the Superintendent or designee should not implement the suspension without pay until the first decision is

rendered in the Grievance Procedure or by a hearing officer except in cases of serious misconduct, or the employee is scheduled to terminate employment prior to the final decision. The statement also shall indicate that no full evidentiary hearing shall take place unless a written demand for such hearing is delivered to the Superintendent of Schools within ten (10) calendar days after the date the written notice of proposed suspension without pay was served.

- 38.4 The employee shall receive a full evidentiary hearing on the proposed suspension without pay if a written demand for such hearing is delivered to the Superintendent within ten (10) calendar days of the proposed suspension without pay. In the absence of a demand for a full evidentiary hearing, the Superintendent shall act upon the charges after the time period for hearing demand has expired. By demanding a hearing, the employee waives all rights under the grievance procedure in this Agreement. An employee may waive rights to a hearing under this article, but file a grievance under the Grievance Procedure, Article 7.
- 38.5 The full evidentiary hearing shall be conducted before a hearing officer. The hearing officer shall be selected pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association. Such hearings shall take place within a reasonable period of time, but not before five (5) calendar days after the filing of a request for a hearing. Hearings will be presided over by the hearing officer. The employee shall have a right to appear in person on his or her behalf, with counsel or such representation as he or she requests to represent his defense.
- 38.6 The hearing officer shall conduct the hearing and shall rule on questions, evidence and procedure. Either party may call witnesses, introduce evidence, testify, and question witnesses. The District has the burden of proof and shall first present evidence and testimony. Normal procedures shall be followed, i.e., charging party presentation, defense cross-examination, defense presentation, charging party cross-examination, and rebuttal evidence from each party. Hearings will be recorded at the request of either party. All costs for the hearing except any fees of legal counsel for either party, including the services of the hearing officer, as well as any costs associated with the production of a record of the hearing, shall be borne entirely by the losing party, except in any case where there is a split decision by the hearing officer, at which time the hearing officer shall determine the apportionment of expenses to be borne by each party. In any case involving Article 38.8 where the hearing officer does not recommend the Board of Education take action to discipline the employee, and the Board does so notwithstanding the recommendation, then the Board shall bear the cost of the hearing except for any fees of legal counsel or other representative.

- 38.7 The decision of the hearing officer shall be in writing summarizing the facts, setting forth findings and making a decision which shall be final and binding on the District, and the employee, and the Association if the Association participates in the hearing.
- 38.8 With respect to probationary employees, the following provisions shall apply:
- 38.8.1 The parties acknowledge that such probationary employees may be dismissed or suspended without pay for a specified period of time in excess of fifteen (15) workdays under Education Code section 44948.3. Nothing in this Article shall be construed to limit such right to dismiss or suspend. Among the reasons that might be deemed sufficient by the District to dismiss or suspend without pay such probationary employees are:
- a. Unsatisfactory performance determined pursuant to the Stull Act (Education Code sections 44660, et seq.);
 - b. Cause, as defined in Education Code section 44932.
- 38.8.2 The Superintendent or designee shall give thirty (30) days' prior written notice of dismissal not later than March 15 in the case of second-year probationary employees. Notice of suspension without pay shall be given pursuant to Section 36.3. The notice shall include a statement of the reasons for the dismissal or suspension and notice of the opportunity to appeal. In the event of a dismissal or suspension for unsatisfactory performance, a copy of the evaluation conducted pursuant to Education Code section 44664 shall accompany the written notice.
- 38.8.3 If the notice of dismissal or suspension is given, the employee shall have fifteen (15) days from receipt of the notice of dismissal or suspension to submit to the Board of Education a written request for a hearing. The failure of an employee to request a hearing within fifteen (15) days from the receipt of a dismissal or suspension notice shall constitute a waiver of the right to a hearing. The hearing provided for in section 38.6 shall constitute the hearing on the dismissal or suspension; however, the hearing officer's decision shall constitute a recommendation to the Board of Education and shall be advisory only.

ARTICLE 39. HALF-TIME EMPLOYMENT/SHARED ASSIGNMENTS

- 39.10 Unit members shall be notified of their shared assignment approval or denial by the second Friday following Spring break but the final site/grade level assignment for the team will be determined using the same procedures and timelines in Article 33. Once the unit member earns his/her salary step increase, accumulation of full-time employment hours toward the next step increase begins at zero. There is no carryover.

- 54.1.1 The District shall establish a Catastrophic Leave Bank effective July 1, 2000. The Catastrophic Leave Bank shall be funded in accordance with the terms of Article 54.2 below.
- 54.1.2 For the purposes of this section a "day" shall be any regular contract day a unit member is expected to be on duty as determined by the terms of this Agreement.
- 54.1.3 Days in the Catastrophic Leave Bank shall accumulate from year to year.
- 54.1.4 Days shall be contributed to the Bank and withdrawn from the Bank without regard to the daily rate of pay of the Catastrophic Leave Bank participant.

54.2 Eligibility and Contributions

- 54.2.1 All unit members on active duty with the District are eligible to contribute to the Catastrophic Leave Bank provided that the unit member has at least one (1) sick leave day to contribute.
- 54.2.2 Participation is voluntary, but requires contribution to the Bank as defined in 54.2.4. Only contributors will be permitted to withdraw from the Bank.
- 54.2.3 Contributions shall be made during the enrollment period between July 1 and the last duty day in October of each school year. Unit members returning from extended leave which included the enrollment period and new hires will be permitted to contribute within 30 calendar days of beginning work.
- 54.2.4 The annual rate of contribution by each participating unit member for each school year shall be one (1) day of sick leave which shall be deemed to equate to the legal minimum required by Education code Section 44043.5, up to a maximum of one-half (1/2) of the unit member's annual accrual. Unit members serving in part-time assignments shall also make a minimum annual contribution of a least one (1) full day, which is the equivalent of seven (7) hours.
- 54.2.5 A unit member's eligibility for the Bank terminates automatically if she/he fails to make the required annual contribution.
- 54.2.6 The Association and the District shall meet prior to June 30 of each school year to consider the appropriateness of a waiver of the annual donation requirement for current members of the Bank, based on the total number of days accrued in the Bank and the expected utilization of those days.

54.3 Withdrawal from the Bank

- 54.3.1 Catastrophic Leave Bank participants whose accrued sick leave is exhausted may request a withdrawal from the Bank for catastrophic illness or injury. Catastrophic illness or injury shall be defined as any illness or injury that incapacitates a unit member for an extended period of time, or that incapacitates a member of the employee's family, which incapacity requires the employee to take time off from work for an extended period of time to care for that family member, as defined, in Education Code 44043.5(1). This definition does not include workers' compensation related injuries or illnesses. A "family member" shall include all persons defined as follows: the employee's parent, child, spouse,

grandparent, grandchild, and sibling as defined by the California Labor Code, and including registered and unregistered domestic partners and any relative who has established legal residency at the same address as the employee.

- 54.3.2 Unit members must use all accrued sick leave available to them as defined in Article 15.1, but not differential leave as defined in Article 15.2, before eligible for a withdrawal from the Bank. Additionally, personal necessity leave need not be exhausted before making a request to withdrawal from the Catastrophic Leave Bank.
- 54.3.3 If a unit member is incapacitated; applications may be submitted by the participant's agent or member of the unit member's family.
- 54.3.4 Withdrawals from the Catastrophic Leave Bank shall be granted in units of no more than twenty duty days. Unit members may submit a request for an extension of a withdrawal for one (1) additional twenty-duty day allotment for each catastrophic illness or injury. Catastrophic leave days not used by the unit member shall be returned to the catastrophic leave bank.
- 54.3.5 If a reoccurrence of the same illness or injury incapacitates a unit member, a request for withdrawal may be made if the unit member has returned to work for at least ninety consecutive duty days.
- 54.3.6 Participants in the Bank shall make requests for withdrawal of days to CVE and will be required to submit a doctor's statement indicating the nature of the illness or injury and the probable length of absence from work. If the request for withdrawal is based on the illness or injury of a family member as defined in 54.3.1, the doctor's statement shall also indicate the need of the family member to receive care. Participants shall submit the Request for Withdrawal form and doctor's statement to the Human Resources Services and Support Division or Payroll Division. The Human Resources Services and Support Division or Payroll Division will verify that the unit member has contributed to the Catastrophic Leave Bank such that he or she is potentially eligible for withdrawal. The Human Resources Services and Support Division or Payroll Division will also determine if the unit member has made a previous withdrawal. Then the request will be sent to the CVE President or his or her designee for approval or disapproval. The request shall be considered and a decision rendered within ten (10) working days of receipt of the request.
- 54.3.7 In the event that the request is approved, the unit member making the request and the Human Resources Services and Support

Division shall be notified in writing of the approval, including the number of days to be withdrawn.

- 54.3.8 In the event that the request is denied, the unit member making the request, the President of the Association, and the Human Resources Services and Support Division shall be notified in writing of the denial. The unit member may appeal the denial to a review committee consisting of one (1) District representative and two (2) Association representatives. The designated review committee must come to a majority decision and shall keep information regarding the nature of the illness or injury confidential. The decision of the review committee shall be reported in writing to the unit member within ten (10) duty days of receipt. This decision shall be final and not subject to the grievance process of the Agreement.
- 54.3.9 If the Catastrophic Leave Bank does not have sufficient days to fund a withdrawal request, the District is under no obligation to provide days. In such event, the District and the Association shall meet to consider a request of voluntary donations, as defined in 54.2.4, from the current participants for the purpose of replenishing the Bank. If a request is denied because of insufficient days to fund the request, the request may be reconsidered by Human Resources Services and Support Division at such time as sufficient donated days are available.
- 54.3.10 Approved withdrawals shall become effective immediately upon the exhaustion of the unit member's accrued sick leave.
- 54.3.11 The Association agrees to reimburse all District legal fees and costs incurred in defending the District, members of the Board, and/or agents of the Board, against any court action and/or administrative action challenging the legality of the catastrophic leave program and any decisions made related to a unit member's request for catastrophic leave pursuant to the procedures described above.

54.4 Administration of the Bank

- 54.4.1 The Human Resources Services and Support Division shall have the responsibility of maintaining the records of the Catastrophic Leave Bank.
- 54.4.2 The Human Resources Services and Support Division shall provide application forms for contributions to unit members annually.

54.4.3 Representatives of the District shall meet with representatives of the Association no later than November 30 of each school year to provide the following information:

54.4.3.1 The total number of accumulated days contributed by unit member for the current year.

The term of the SP shall be two years renewable at the end of the term.

Position Statement

TITLE

Role of the Credentialed School Nurse

POSITION STATEMENT

The California School Nurse Organization asserts that the Credentialed School Nurse, as the supervisor of health, is a leader in supporting student success in the multifaceted role of planner, educator, care coordinator, health care provider, communicator, and advocate. The Credentialed School Nurse, as a pivotal member of the school or district coordinated school health and safety program, addresses the health care needs of children and adolescents as they relate to education. The scope of practice of the Credentialed School Nurse is extensive and dynamic and Credentialed School Nurses should practice to the full extent of their education and training (Institute of Medicine [IOM], 2010).

BACKGROUND

The Credentialed School Nurse:

- Is a Registered Nurse, licensed by the California Board of Registered Nursing
- Holds a minimum of a Bachelor's degree
- Is credentialed as a school nurse by the California Commission on Teacher Credentialing (CCTC)
- Holds current cardiopulmonary resuscitation certification

(California Education Code [CEC] 44877)

The Credentialed School Nurse uses the nursing process, clinical expertise, and professional judgment to design and implement health services programs that ensure that all students will receive the optimum benefit from their educational experience. This is accomplished by working collaboratively with students, families, teachers, other members of the multidisciplinary team, and utilizing resources within the community, to meet the physical, mental, emotional and social health needs of students (CEC 49426).

"School nurses strengthen and facilitate the educational process by improving and protecting the health status of children and by identification and assistance in the removal or modification of health-related barriers to learning in individual children. The major focus of school health services is the prevention of illness and disability, and the early detection and correction of health problems. The Credentialed School Nurse is especially prepared and uniquely qualified in preventive health, health assessment and referral procedures." (CEC 49426)

School nursing is a specialized field that requires extensive knowledge, experience and role modeling to practice at a competent level. The California School Nurses Organization, along with the IOM (2010) encourages experienced Credentialed School

Position Statement

Nurses to earn higher levels of education, such as a Master's degree or higher.

It is part of the Credentialed School Nurse's professional responsibility to serve as a mentor/preceptor to novice school nurses and registered nursing students enrolled in a college/university nursing or school nursing program. Credentialed School Nurses are also encouraged to teach nursing and health related courses at the collegiate level.

New paradigms are evolving for school health services as school systems develop coordinated school health programs to address the diverse and complex health problems of today's students.

The Credentialed School Nurse's role includes, but is not limited to the following:

- Assessing and evaluating student health and developmental status
- Communicating with students, families, caregivers, and health care providers
- Interpreting assessment data and medical information for school staff working with the students
- Designing and implementing an Individualized School Health Plan, Emergency Care Plan, Individual Educational Plan and/or Section 504 Plan related to health care needs of students
- Determining the appropriate level of care for students with specialized health care needs, and training, monitoring, and supervising licensed and unlicensed staff providing care
- Providing school nursing care coordination services for students
- Counseling and educating students and parents regarding health related issues and providing information and referral to community services
- Administering and training and supervising school staff in assisting students with routine and emergency medications
- Serving as a health consultant and providing education programs to staff on a variety of health topics
- Developing curriculum and assisting in delivery of comprehensive health education to students
- Promoting a healthy school environment for emotional and physical safety
- Performing federal and state mandated tasks including but not limited to emergency care; child abuse reporting; communicable disease control, prevention, and follow-up, immunization and CHDP monitoring, and audiometric and vision screening
- Providing routine direct healthcare services and referrals
- Maintaining, protecting and managing confidential electronic and written student health records.

RATIONALE

societal pressures related to immigration, violence, changing family structure, homelessness, substance abuse, and poverty. Many of our children come with issues that make learning difficult. In addition, students may have undetected health conditions, poorly managed chronic illnesses, or complex medical problems that were previously only managed at hospital or rehabilitation settings. Economic conditions and increased acuity of health problems have required the addition of other licensed and unlicensed assistive personnel to assist in meeting health care needs of students.

As the health care expert within the school and an advocate for students and families, the Credentialed School Nurse uses professional skills, nursing judgment, and leadership ability to create a safe and healthy school environment that supports the well-being, academic success, and life-long achievement of students.

Extended Learning Opportunity Program

Site After School Programs

The Chula Vista Elementary School District (CVESD) and the Chula Vista Educators (CVE) enter this Memorandum of Understanding regarding the after-school programs at school sites being taught by teachers after school.

We recognize there is an opportunity for school sites and teachers to work to provide extended learning opportunities to students. CVESD and CVE have a shared interest in making these opportunities meaningful to staff and students. We also recognize that there is a need to ensure that the programs have an interest to the students and school community.

The after-school programs will follow the ELOP guidelines and will have a minimum of 15 students with some flexibility to be determined based on the program's complexity. We also agree that based on the requirements of the program minimums and other ELOP mandates may dictate how the program is run.

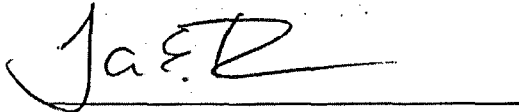

There will be an application process that will include an opportunity for staff to provide information about the program and details surrounding the costs for the program.

CVESD and CVE recognize that schools and our programs are crucial to the success of our students and that collaboration between all parties will bring amazing opportunities to our students.

Compensation for this program will be \$50/hr for instructional time a week with a minimum of two hours a week.

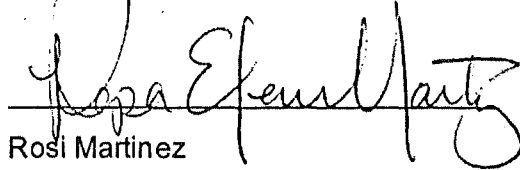

This agreement is non-precedent setting. The district and/or Association reserve the right to negotiate any additional impacts in the 2023-24 and/or 2024-25 school years. This MOU shall expire on June 30, 2025.

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE CHULA VISTA ELEMENTARY SCHOOL DISTRICT
AND
THE CHULA VISTA EDUCATORS

The Chula Vista Elementary School District ("District") and the Chula Vista Educators ("CVE"; collectively with the District, "the Parties") hereby enter into this Memorandum of Understanding ("MOU") regarding Community Schools.

December 18, 2023

AGREEMENT

Community schools provide services and support which fit each neighborhood's needs, created and run by the people who know our children best – families, educators, community organizations, local governments, and the students themselves – all working together. Transformational community schools utilize the evidence-based four pillars and four proven practices for community schools implementation established by the California State Board of Education. The four community schools pillars are:

1. **Integrated student supports** that address out-of-school barriers through the coordination of trauma-informed health, mental health, and social services
2. **Expanded and enriched learning time and opportunities** that include academic support, enrichment, and real-world learning opportunities (e.g., internships, project-based learning)
3. **Family and community engagement**, which involves actively tapping the expertise and knowledge of family and community members to serve as true partners in supporting and educating students
4. **Collaborative leadership and practices** for educators and administrators that establish a culture of professional learning, collective trust, and shared responsibility for outcomes in a manner that includes students, families, and community members

The four proven practices for community schools implementation consist of:

1. **Community needs and assets assessments** that engage school and community interest holders in a coherent process of identifying and curating assets and wisdoms throughout the community

2. A **community school coordinator** who is responsible for the overall implementation of community school processes, programs, partnerships and strategies at the school site
3. **Site-based and District-wide community schools shared decision-making bodies (steering committees)** that engage interest holders including students, staff, families, and community members in determining the focus and direction of the community school effort
4. **Integration and alignment** where the community schools initiative is cross-stitched with other racial justice, education justice and equity initiatives at the District and school site level

To build quality community schools the CVESD and CVE agree to the following:

1. **District Infrastructure for Successful Community Schools:** The CVESD and CVE agree to the following minimum staffing to support the CVESD Community Schools program:
 - 1.1. **District Community Schools Coordinator**
 - 1.1.1. The District Community Schools Coordinator will be responsible for implementing the District-wide community schools program, as determined by the District-Wide Community Schools Steering Committee (see 2.1 of this article).
 - 1.1.2. The District Community Schools Director will also be responsible for supervising community school coordinators.
 - 1.1.3. Responsibilities include facilitating a professional learning community that will support Site Community School Coordinators and promote ongoing stakeholder participation in the site-based community school problem-solving process.
 - 1.2. **Site Community School Coordinator**
 - 1.2.1. Each designated community school will be assigned a Site Community School Coordinator.
 - 1.2.2. The community school coordinator will be a District classified or a certificated bargaining unit member.
 - 1.2.3. Responsibilities include participating in collaborative leadership with their assigned school communities in the establishment and development of the community school program pillars and structures.
 - 1.2.4. Appropriate Workspace. Site Community School Coordinators shall be provided an appropriate workspace which shall be private and confidential when necessitated by the nature of the work.
 - 1.3. **Professional Development for Site Community School Coordinators**

- 1.3.1. CVESD will partner with the CVE/CTA/NEA to provide professional development and build capacity of site community school coordinators in order to align with the national model for Community Schools.
2. **District-Wide Community Schools Steering Committee:** The CVESD and CVE will establish a Community Schools District-Wide Steering Committee. The Steering Committee will be composed of partners that share a commitment to support the purpose and creation of a Community School model in CVESD (refer to School Board Resolution 2022-23.004).
 - 2.1. Responsibilities of District-Wide Steering Committee will include:
 - 2.1.1. Facilitating a democratic designation process for District community schools
 - 2.1.2. Determining benchmarks for evaluation of community school implementation
 - 2.1.3. Continually supporting and refining the community school implementation process in partnership with District staff
 - 2.2. Selection Process: CVESD and CVE will appoint an equal number of members each to the Steering Committee.
 - 2.3. Term: Steering Committee members will agree to serve on the committee for one year from the date of commencement. Steering Committee members may serve more than one year if the District and CVE agree to reappoint them.
 - 2.4. CVESD and CVE shall designate a co-chair for the Steering Committee.
 - 2.5. The co-chairs, with support from the District Community Schools Coordinator, will set the schedule of the meetings and determine the agenda.
3. **Site-Based Community School Shared Decision-Making Body:** Each designated community school site shall have a Site-Based Community School Shared Decision-Making Body that works with the Site Community School Coordinator to support community school programs.
 - 3.1. Composition: The composition of Site-Based Community School Shared Decision-Making Bodies shall be as follows:
 - 3.1.1. 50% families, students and/or community partners
 - 3.1.2. 50% school staff including a site administrator (or designee)
 - 3.1.3. A minimum of eight (8) members

- 3.2. Selection Process: Representatives shall be elected by their respective constituency. CVE members in good standing will be selected by CVE leadership. The community school site coordinator would serve in a non-voting support role to the Site-Based Community School Shared Decision-Making Body. The community school site coordinator shall cast tie-breaking votes as necessary.
- 3.3. Term: Members will serve for one school year and can be re-elected.
- 3.4. Responsibilities: Needs/Asset Assessment Process and Ongoing Democratic Community School Problem-Solving Process.
 - 3.4.1. The needs/asset assessments and the problem-solving process will be facilitated by the Site Community School Coordinator in partnership with the Site-Based Community School Shared Decision-Making Body.
 - 3.4.2. The Site-Based Community School Shared Decision-Making Body will determine problem-solving teams of school community stakeholders to develop solutions to the issues that emerge from the needs assessment and monitor the implementation of solutions.
- 3.5. Meetings/Procedures:
 - 3.5.1. Meetings will be held at least once a month and by mutual agreement as often as deemed necessary. The agenda(s) will be developed by the site coordinator with input and approval by the members. The site coordinator and/or members of the committee may invite resource people to attend meetings of the committee from time to time as necessary.
 - 3.5.2. Minutes of the meetings shall be recorded by a person mutually selected by the committee and the site coordinator. Published minutes shall be distributed to all staff members and families within five (5) duty days following the completion of the meeting. The person responsible for distribution of the minutes will endeavor to distribute the minutes of the previous meeting at least three (3) duty days prior to the next meeting. The minutes shall reflect the mutual concurrence of the site coordinator and the committee members relative to the content of the minutes.
- 3.6. The District will comply with any matching funds grant requirements to continue supporting community schools. (Subject to state funding). These funds can be used for systematic and ongoing investment in parent/community/youth organizing, outreach and training; partnership opportunities; and, both curriculum training time and collaborative curriculum planning time for educators, specifically around culturally-responsive and community/civically-connected curriculum.

4. **Racially Just Community Schools:** The CVESD, CVE, CVCEO and AACV commit to creating racially just and restorative school climates. This includes:

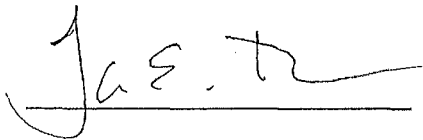

4.1. Culturally Proficient and Relevant Instruction:

4.1.1. Our Community School shall work together with a proven and successful partner to facilitate a democratic design process of deep engagement of parents, youth, educators, and community members, at all Community Schools to inform curriculum audits, training, and planning.

4.1.2. CVESD shall provide adequate planning time for educators to calibrate community-based curriculum with criteria that emerge from the democratic design process referenced above.

This MOU shall become effective upon signature by authorized officials from CVESD and CVE and will remain in effect until modified or terminated by any one of the partners by mutual consent and subject to ongoing state funding. The Parties agree to review this MOU on an annual basis no later than May 1st of each school year to determine the effectiveness of the MOU. In the absence of mutual agreement by the authorized officials from CVESD and CVE this MOU shall end on June 30, 2026.
