A. Report on District’s Physical Education and Wellness Program and Local School Wellness Policy Triennial Assessment

Dr. Tessier welcomed the two new Board Members. He introduced Coordinator of Physical Education (PE), Health, and Wellness Heather Cruz. Mrs. Cruz presented a report on the triennial assessment of the District’s wellness policy, covering a comparison with the model policy, compliance with the policy, and progress towards goals. She provided information on how the District has responded from a physical education standpoint during the COVID-19
pandemic and showed a video that included students sharing how PE has helped them throughout the pandemic and some online PE classes. Mrs. Cruz also answered questions from Board Members.

Board Members thanked Mrs. Cruz for the report and commented on the information presented. Board Member Tamayo pointed out that none of the schools should withhold recess as a form of punishment and asked for a revision to the policy reflecting this change. President Reyes thanked all the teachers and others who make sure students remain healthy, stay fit, and exercise regularly. He said it was exciting to see the video. He remarked that it would be good to explore creating mini lessons for parents.

Dr. Tessier shared that the consultation process has brought awareness regarding disciplinary procedures at schools and that the District works hard with Chula Vista Educators and principals to ensure the practice of withholding recess as a punishment is eradicated in the District.

B. Report on Employee Well-Being Program

Dr. Tessier said the District is also proud in what can be done to improve employee wellness, which is critical in order to put forth the best effort for the students we serve. He introduced Human Resources Senior Director Jorge Mora and again Mrs. Cruz. The presenters shared the District’s Employee Wellness Program, including how the program started, the journey, program components, and partners that assist the District in supporting employees physical and mental health. They also answered a wide variety of questions from Board Members.

Board Members thanked the presenters and said expressed they are happy that it includes mental health. Board Member Tamayo requested that the District reach to other partners such as CISC, Kaiser, and Sharp. Board Member Ugarte. Board Member Bishop posed the issue of teachers feeling comfortable sharing, how the District can link them to resources once they participate. President Reyes commented on the importance of the program and recommended at least minimum of support for the LBGT community.

4. COMMUNICATIONS TO THE BOARD OF EDUCATION

A. Chula Vista Classified Employees Organization

Chula Vista Classified Employees Organization (CVCEO) President Peter Zeitler welcomed Board Members Bishop and Ugarte. He commented regarding the Wellness Program and thanked Mr. Mora and Mrs. Cruz for presenting it to the employee organizations, saying everyone was onboard with it. Mr. Zeitler acknowledged three employees for their service to District students—Olivia Amador and
Maria Hernandez Loveall (40 years) and Marilyn Johnson (35 years). He expressed appreciation for Child Nutrition Service employees, who have served meals from the beginning [of the pandemic] and who continue to serve over 10,000 meals a day. Mr. Zeitler said although more is needed, this effort makes a difference for District families. He also thanked staff members who returned to work in September, mentioning secretaries and attendance/health secretaries who went above and beyond, helping with technology. Mr. Zeitler said some of the earlier computer purchased were not top of the line and remarked the District tried to get the best ones for the best price. He acknowledged instructional assistants and student attendants who are doing a great job supporting moderate/severe students at 11 schools and commenting it has made a big difference for students to be on campus. Mr. Zeitler stated CVCEO and the District finalized a Memorandum of Understanding on reopening that includes stipends and COVID pay for certain employees who are working on site, hand-to-hand with students. He ended by wishing everyone happy holidays.

B. Chula Vista Educators

Chula Vista Educators (CVE) President Susan Skala congratulated Board Members Bishop and Ugarte and said she looks forward to spending the last six months of her presidency working with them to effect positive change in the District for students and the workers who serve them. Ms. Skala thanked Board Members Bunker, Reyes, and Tamayo for the positive impacts they have made this year and in years past. She addressed the wellness program, saying it is a great first start, that she is happy that Mrs. Cruz and Mr. Mora had the big idea, and that she looks forward to seeing the program grow. Ms. Skala stated there were some things CVE would like to ask for, the first one being clear and consistent communication. She said that at times, messages need to be received directly from the District, as trickle-down messaging does not work. The second is better equity in leadership, saying the District seems to have become top heavy in leadership with the male gender and, as a diverse group of employees and students CVE would like to see more women and BIPOC (Black, Indigenous, and People of Color) in upper management as well as in site administration. Ms. Skala requested the Board direct the District to allow for the minimum day schedule be of 120 minutes of live instruction and the rest of the time be asynchronous. She expressed her great appreciation for all District employees for their dedication and commitment while working through extraordinary times and said they have all gone above and beyond. Ms. Skala wished everyone a wonderful holiday season and said she hopes 2021 brings everyone much joy and that she looks forward to the day when everyone can meet together again and urged everyone to follow safety protocols in the meantime. In closing, she wished everyone Merry Christmas and a Happy New Year and said she looks forward to working with everyone.

These issues are to minimize or completely eradicate the achievement gap that Black learners are experiencing and to recruit Black teachers and leaders. Dr. Escobedo introduced Marshall Principal Dr. Monica Loyce, Camarena Principal Dr. Debra McLaren, Mueller Charter Dean of Students Vincent Anthony. The group presented a request to formally organize a District advisory council to support Black/African American students and their families as part of District efforts on equity and said they would like the group to be known as Black Learners Advisory Council (note the change of “Learner” to “Learners”) or BLAC [pronounced B-LAC]. They also presented the
purpose, goals, and objectives of BLAC; results of the 2019 California Assessment for Student Performance and Progress; District suspension data for 2019-20; a timeline and proposed plan for establishment of the group; data on District Black/African American employees; and some of the “hidden figures” involved in the work. They also answered an assortment of questions from the Board.

Mr. Esquivel reviewed the District’s financial status as of the 2020-21 first interim report, which is a revision of the District budget that was approved by the Board in June 2020 and revised in August 2020. He showed changes between the August 2020 revision and the first interim report and said the Reserve for Economic Uncertainties (REU) is the target number used by the state [California Department of Education] to determine a district’s fiscal solvency, adding that the District is required to have a minimum three percent REU for the current year and for the following two years. Mr. Esquivel showed and explained changes in revenues and expenditures; covered multiyear projections to meet the REU through 2022-23 and the historical REU; addressed enrollment comparisons between March and December 2020;
provided information on attendance, cumulative employer retirement cost increases, and special education expenditures; and highlighted items the District is watching. He also answered questions from the Board.

Motion: TAMAYO, Second: UGARTE, Vote: UNANIMOUS

E. Adopt Resolution of the Chula Vista Elementary School District Authorizing the Borrowing of Funds for Fiscal Year 2020-21 and the Issuance and Sale of One or More Series of 2020-21 Cross Fiscal Year Tax and Revenue Anticipation Notes Therefor in an Amount Not to Exceed $60,000,000; Authorizing Participation in the San Diego County and School District Tax and Revenue Anticipation Note Program; and Requesting the Board of Supervisors of the County to Issue and Sell Said Notes

Mr. Esquivel said the State’s 2021 budget included a solution consisting of a deferral of payments to school districts. This meant that approximately $16 million of the District’s $177 million in state apportionment monies would be deferred from the 2020-21 to the 2021-22 school year. He explained that, to ensure the District has sufficient funds to meet payroll and make other payments, the District anticipates needing cash flow and that the $60 million is a not to exceed amount, which will probably be half of that amount. The notes will allow the District to borrow from external sources and the money will be repaid once the State makes the payment.

11. BOARD COMMUNICATIONS

Ms. Bishop:
- Said she is a parent of a sixth grader and a first grader and that it has been a rough year. Stated that as she listened to the comments, she hears the parents—that distance learning is hard—but that it protects everyone. Added that she lives in the 91910 zip code, the third or fourth highest in COVID cases in San Diego and her priority is to take care of everyone and ensure not returning to in-person instruction until it is safe.
- Addressed public comments that expressed anti-union sentiments, saying unions represent teachers and staff and help the District get the best employees. Said she is the proud daughter of a lifelong union teacher and that she supports the unions and is not afraid to say it out loud.
- Stated a desire to add a land acknowledgment to the beginning of Board meetings. Commented we live on land of the displaced Kumeyaay people and there are students in the community who are part of the Kumeyaay nation, saying that she wants them to know we acknowledge their history and the fact that some of Kumeyaay are still here. Asked the District to work with Kumeyaay representatives to craft the acknowledgement and to compensate them appropriately for their assistance.
- Asked the District to co-sponsor the “Know our Rights Clinic on Housing, Evictions, and COVID” event hosted by the Alliance of Californians for Community Empowerment.
- Read a statement regarding temporary lodging provided by the County of San Diego for the homeless affected by COVID-19 and asked the District ensures assistance to students in such places.
- Thanked everyone for the warm welcome. Remarked that she is excited to represent stakeholders the best way she can. Said she has an open-door policy and would love to talk to anyone about feedback they may have and to help amplify their voice.
- Wished everyone great holidays, saying it is a needed break, and commented that she is excited to have a couple of weeks of “R and R.”

Mrs. Bunker
- Encouraged District staff and families to have happy holidays and to take the time to enjoy one another safely.
- Said she hopes to see everyone in person in the new year.
Dr. Reyes:
- Expessed his appreciation of all District staff, saying people do not realize all the work that employees do and acknowledged the work of parents and students during this time.
- Said the year has been tough and thanked everyone for genuinely doing their best to serve students with care and dignity.
- Wished everyone happy holidays. Commented the holidays are going to be very different but that he hopes everyone can spend quality time with loved ones, especially with their children.
- Said everyone should take care of themselves, stating that many times people think of others and forget about themselves.

Mr. Tamayo:
- Remarked that to say 2020 was a rough year would be an understatement. Thanked all District staff for their efforts in trying to maintain some sanity for the students. Added the District did a good job, saying there were some struggles and challenges, but everyone was well intended and did their best.
- Urged everybody to take time to disconnect from work and connect with family, and to appreciate and enjoy that time with them.
- Said his thoughts and prayers are with the families who lost loved ones due to COVID-19 and that it is important to value the time we have to spend with family and friends at a safe distance.
- Thanked everyone for everything accomplished in 2020 and said he looks forward to continuing the work in 2021, hopefully in a more normalized setting where everyone can meet in person and work together again for the benefit of students.

Ms. Ugarte:
- Commented that she wanted to take a moment to reflect upon the educational journey since March 13. Said nobody had a playbook, went to school, or was trained for the pandemic. Added that she thinks every single person involved in the educational system has done an amazing job and everyone is doing the best they can with what they have.
- Remarked that, as we finish off the year, everyone needs to continue to have support, grace, and flexibility with one another because being in the unknown is very frustrating and sometimes frustration is taken out on people without intending it.
- Stated that, just like teachers, students and parents have been doing an amazing job.
- Expressed that she hopes everyone takes the next few weeks off to recharge and develop a bit more flexibility and grace, so they are ready to go when the school year resumes.

- Announced that Child Nutrition Services employees will be distributing meals so District families will have food for the next couple of weeks. Said any food left over will be given to the South Bay Community Services Food Bank as they serve many families in need. ITEM TITLE:

Approve Memorandum of Understanding with Chula Vista Educators Regarding Working Conditions During the COVID-19 Pandemic During the 2020-21 School Year (Hybrid Instruction)

X Action Information

BACKGROUND INFORMATION:

On December 17, 2020, the District and Chula Vista Educators (CVE) agreed to an addendum to the Memorandum of Understanding (MOU) concerning working conditions during the COVID-19 Pandemic during the 2020-21 school year. The MOU includes an A/B model that has a group of students coming to school in the morning (A) and a group of students coming to school in the afternoon (B), for 155 minutes of live instruction for each group Monday through Thursday. On Fridays, instruction will take place via distance learning with 155 minutes of synchronous instruction. The in-person instruction class size will be limited to the number of students that can fit safely in a classroom with the 6-foot distancing requirement. The contractual class size limit of 31 for distance learning classes can be increased to 34. Other items of note are:

• Unit members returning to in-person instruction will have at least five days to work on campus prior to students returning, and during this time, distance learning will be limited to 180 minutes of synchronous instruction per day.

• Visual and Performing Arts/Physical Education and Innovation teachers will continue their instruction virtually.

• Special Education unit members may work remotely, but in-person services may be provided based on student needs, including testing.

• The District shall determine the number of distance learning assignments available. Unit members with documentation that they or a household contact are at risk due to COVID, will be given priority to remote assignments. Any additional positions will be assigned based on credential and District seniority. When deciding which teachers get assigned to in-person or distance learning instruction, site staffing continuity will be factored in as much as possible.
ADDITIONAL DATA:

A copy of the MOU is available for review in the Office of the Assistant Superintendent for Human Resources Services and Support.

Adopt Resolution Declaring February 5, 2021, as National Wear Red Day® in the Chula Vista Elementary School District

X Action

Information

BACKGROUND INFORMATION:

In 2004, the American Heart Association (AHA) launched Go Red For Women™ due to the fact that close to 500,000 women per year were dying of cardiovascular disease. While great strides have been made, cardiovascular disease continues to kill more women than the next four causes of death combined, including all forms of cancer. Many women are still unaware of this fact, and few believe that heart disease is their greatest health threat. Therefore, to raise awareness of this critical issue, the AHA encourages everyone in the nation to “go red” on February 5, 2021, for National Wear Red Day® and, if possible, continue with awareness activities throughout the month.

National Wear Red Day® is a registered trademark of the U.S. Department of Health and Human Services and the AHA.

Resolution Declaring February 5, 2021, as National Wear Red Day® in the Chula Vista Elementary School District

On motion of Member ____________________, seconded by Member ____________________, the following resolution is adopted:

WHEREAS, cardiovascular disease is the No. 1 killer of women, claiming the lives of 1 in 3 women each year, yet only 1 in 5 American women are getting the recommended amount of physical activity under federal guidelines; and

WHEREAS, over 40 percent of Hispanic adult women age 20+ and more than half of African-American women have cardiovascular disease; and

WHEREAS, more younger women than men are having heart attacks; and

WHEREAS, younger generations of women, Gen Z, and Millennials, are less likely to be aware of their greatest health threat, including knowing the warning signs of heart attacks and strokes; and

WHEREAS, cardiovascular diseases kill one woman about every 80 seconds and is the leading cause of all maternal death; and

WHEREAS, cardiovascular disease is the No. 1 killer of new moms; and

WHEREAS, pregnancy-related deaths in the U.S. are rising at an alarming rate – and cardiovascular disease is the leading cause; and

WHEREAS, between 1987 and 2015, pregnancy-related deaths rose by 140 percent; and

WHEREAS, disparities continue to persist when it comes to symptom recognition, treatment times and even lifesaving support measures; and

WHEREAS, common heart attack symptoms for women included pain of the jaw, arm, or back, but most wait more than 30 percent longer than men from the moment they begin experiencing symptoms to the time they arrive at a hospital; and

WHEREAS, women with chest pain were less likely than men to receive aspirin or be transported with lights and sirens, and women with cardiac arrest were less likely to be resuscitated; and
WHEREAS, in women, heart disease is too often a silent killer — women who have these so-called silent heart attacks are more likely to have non-specific and subtle symptoms, such as indigestion or a case of the flu, or they may think that they strained a muscle in their chest or their upper back; and

WHEREAS, compared to older women, younger women were more likely to report not discussing heart disease risk with their doctors; and

WHEREAS, Go Red For Women™ is the American Heart Association’s national call to increase awareness about cardiovascular disease—the leading cause of death for women—and to inspire women to take charge of their cardiovascular health; and

WHEREAS, all women should learn their own personal risk for cardiovascular disease, by talking to their healthcare provider and using tools such as the American Heart Association’s My Life Check™, Go Red For Women™ Heart CheckUp, and Go Red For Women™ Better U; and

WHEREAS, making the right choices relating to proper nutrition, physical activity, and other healthy lifestyle choices are essential to living a heart healthy life; and

WHEREAS, the American Heart Association believes that our lives are in our hands. We can help stop the No. 1 killer of women together by sharing the truth. We can be the difference between life and death.

NOW, THEREFORE, BE IT RESOLVED that the Board of Education of the Chula Vista Elementary School District declares February 5, 2021, as National Wear Red Day® in the Chula Vista Elementary School District and urges all citizens to show their support for women and the fight against cardiovascular disease by commemorating this day by wearing the color red. By increasing awareness, speaking up about heart disease, and empowering women to reduce their risk for cardiovascular disease, thousands of lives may be saved each year.

ITEM TITLE:

Review and Accept Quarterly Report to the San Diego County Office of Education on Williams Complaints for the Period of October Through December 2020

Action X Information

BACKGROUND INFORMATION:

In May 2000, a lawsuit was filed against the State of California claiming that low-performing schools throughout the state were housed in facilities that were dirty, unsafe, and inadequate with further allegations that these schools were additionally burdened with unqualified teachers and insufficient instructional materials. A settlement in Williams vs. California was reached in August 2004 and subsequently enacted into law through Senate Bills 6 and 550 and Assembly Bills 1550, 2727, and 3001 (chaptered September 29, 2004).

The intent of the Williams settlement is to ensure that all students have equal access to:

- Instructional materials.
- Qualified teachers.
- Safe, clean, and adequate facilities.

During this time, when the District is engaged in a distance learning model due to the COVID-19 pandemic, all students have access to core subject materials including textbooks, online textbooks, consumable instructional materials, standards-based enrichment units of study, and teacher-created academic content materials that are aligned to standards.

ADDITIONAL DATA:

A stipulation of the settlement is that all school districts must update Uniform Complaint Procedures to include:

- Instructional materials.
- Teacher vacancies and misassignments.
- Emergency or urgent facilities issues.
Notices are posted in each classroom in every District school informing parents/guardians that all classes in all California public schools must have sufficient instructional materials and that the facilities must be clean, safe, and in “good repair.” The notices also provide information on how and where to file a complaint.

A quarterly summary report of complaints must be presented to the Board and to the San Diego County Office of Education. For the period of October through December 2020, one Williams complaint was filed in the District and resolved.

Additional information is available for review in the Office of the Assistant Superintendent for Instruction.

**FISCAL IMPACT/FUNDING SOURCE:**

None.

**STAFF RECOMMENDATION:**

Recommend review and acceptance.

ITEM TITLE:

Approve Wilkinson Hadley King & Co. LLP as Auditor for Fiscal Year 2020-21 for the District Financial and Compliance Audit, and the Measure VV and Measure M General Obligation Bond Programs Financial and Performance Audit Required Under Proposition 39

X Action

Information

BACKGROUND INFORMATION:

In January 2013, in order to guarantee the most cost-effective services to the District, staff distributed Requests for Proposals to six local auditors approved by the State to perform financial and compliance audits. Based on selection criteria including experience and cost of services, the Board approved Wilkinson Hadley King & Co. LLP (WHK) as the District auditor for fiscal year 2012-13, with the option to retain services for subsequent fiscal years. Because of WHK’s experience and cost of services, the staff recommends that the District continue to retain WHK for audit services in 2020-21.

On February 13, 2019, the Board approved WHK to provide financial and performance audit services for Measure VV as required under Proposition 39 for the District’s Measure VV General Obligation Bond Program. Measure VV is a $150 million general obligation bond that will provide funds to renovate and modernize facilities, upgrade security and safety infrastructure, implement energy saving measures and improve technology access within the District’s 46 schools, Education Services and Support Center, and Transportation Yard.

With voter approval of the Measure M General Obligation Bond Program in March 2020, the District is now requesting that WHK also provide financial and performance audit services for Measure M as required under Proposition 39. Measure M is a $300 million general obligation bond that will provide funds to renovate and modernize facilities and implement energy and water saving measures within the District’s 46 schools, Education Services and Support Center, and Transportation Yard.
For many years, WHK has performed the District financial and compliance audit. WHK’s familiarity with the District’s organizational structure, coupled with their years of experience with school district audits, have enabled them to gather data with a minimum of District staff assistance. In addition, their understanding of District operations allows them to make practical recommendations that are consistent with current procedures.

**ADDITIONAL DATA:**

Even though this recommendation is for the continued use of services by WHK, the District will remain in compliance with Education Code Section 41020(f)(2), which requires the rotation of the lead audit partner or coordinating audit partner every six years.

**FISCAL IMPACT/FUNDING SOURCE:**

WHK’s proposed fees are as follows:

There is a fee increase from 2020-21 of $1,300 for the District Financial and Compliance Audit, Measure VV, and Measure M Audits.

ITEM TITLE:

Approve Award of Bid No. 20/21-3 to Presidio Networked Solutions Group, LLC, for the Purchase of Network Hardware Equipment for the Period of April 1, 2021, Through March 31, 2022

X Action

X Information

BACKGROUND INFORMATION:

Bid No. 20/21-3 for Network Hardware was advertised and distributed to eighteen (18) vendors. Bids were received from five (5) vendors at the bid opening held on December 8, 2020.

The purpose of this bid is to provide a source for the Chula Vista Elementary School District (“District”) to purchase ethernet switches and wireless access points for Otay Ranch Village 3, the District’s newest school site projected for the 2022-2023 school year; along with equipment needed for the Education Services and Support Center where equipment has reached end of life and/or are eligible for E-Rate funding. The bid was divided into two sections, Section A - E-Rate Eligible parts, and Section B - Non-E-Rate Eligible Parts.

Each year the Universal Service Administrative Company (USAC), Schools and Libraries Division (SLD) issues an Eligible Services list to identify eligible products and services. The eligibility of internal connections, equipment identified on this bid, are not supported unless they are essential for the effective transport of information to an instructional building of a school. The bid allows the District to apply for E-Rate funding through the USAC SLD for eligible items listed in Section A. Section B items do not qualify for E-Rate funding because the equipment is not located at, and does not communicate with, school sites. If Section A items are E-Rate funded, the District will be able to upgrade the equipment at the designated locations. This bid may also be used to obtain equipment for other projects that may arise throughout the District during the term of the contract.
**ADDITIONAL DATA:**

In 2001, the District established its network using Cisco Local Area Network and Wide Area Network equipment and has continued to use Cisco equipment as the basis for our projects and upgrade installations.

Copies of the bid documents are available for review in the Office of the Deputy Superintendent.

**FISCAL IMPACT/FUNDING SOURCE:**

The lowest responsive, responsible bidder meeting all requirements for Sections A and B is Presidio Networked Solutions Group, LLC. Results of the bid are provided in the following chart:
